MISSISSIPPI COLLEGE

Fairest of all is our dear  
Mississippi rising in state as the  
crest of a hill . . . Staunch as a  
rock is our dear Alma Mater,  
'round her so noble our hopes ever  
live . . . When in the future our  
hearts may be yearning for the  
bright scenes of our dear college  
youth . . . Back to thy portals  
our memories turning, clear  
beams thy beacon of VIRTUE  
and TRUTH . . . M. C. we hail  
thee our dear Mississippi . . .  
Queen of our hearts no foes shall  
alarm . . . Faithful and loyal thy  
children will ever cherish thy  
memories, acknowledge thy charm.

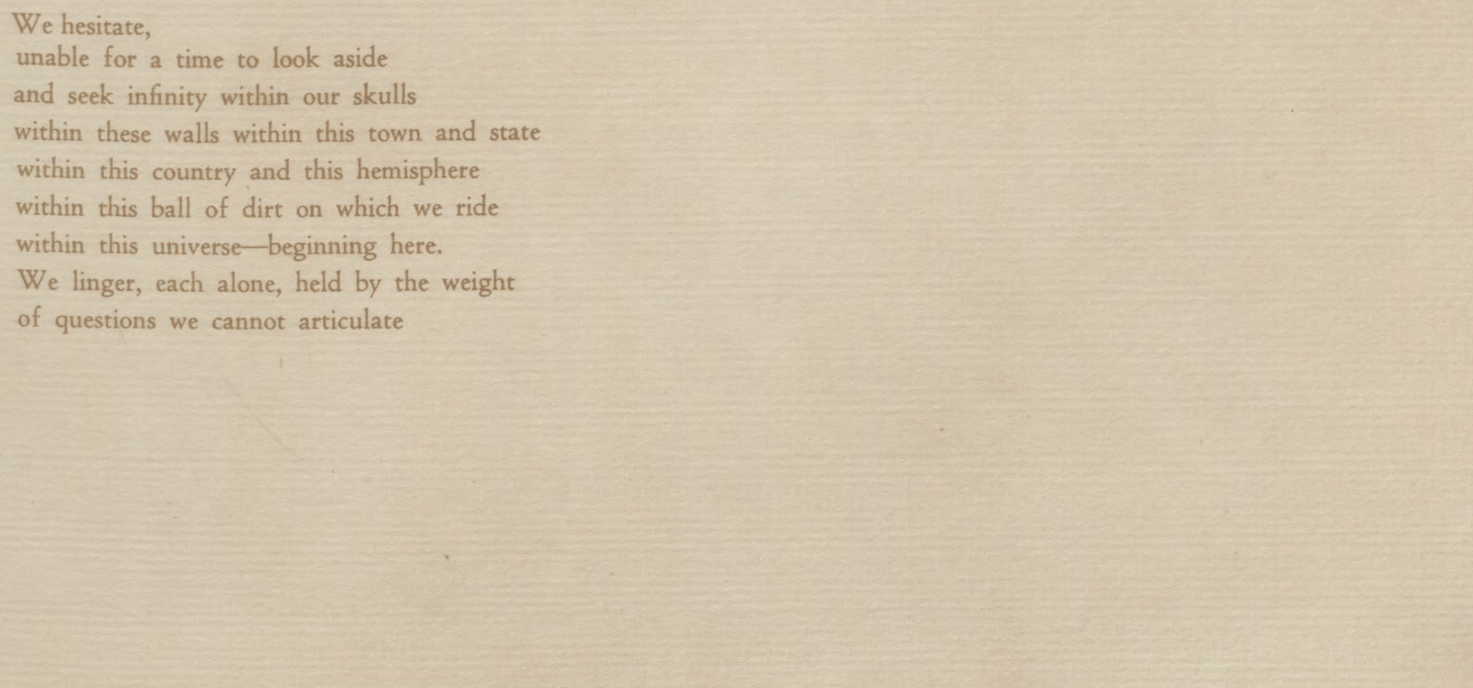

CLINTON,  
MISSISSIPPI

The mind asks questions for which it has no words.  
From ancient wrought-iron railings, you alone  
and I alone look farther than the eye  
can see and wonder that the unwritten sky  
should draw us to an answer still unknown,  
unasked for, though desired. Although the birds  
have been surpassed in freedom and in height,  
space ships—satellites and rockets—speak  
in terms of earth: density and heat  
and radiation. And we must study earth  
to hear and comprehend, to phrase at first  
the question. Like it or not, we know our birth  
is to this world, and though we long for light,  
discernment comes with growth, not by a feat  
of magic dimly wished nor in a burst  
of wisdom from the skies.

We hesitate,  
unable for a time to look aside  
and seek infinity within our skulls  
within these walls within this town and state  
within this country and this hemisphere  
within this ball of dirt on which we ride  
within this universe—beginning here.  
We linger, each alone, held by the weight  
of questions we cannot articulate

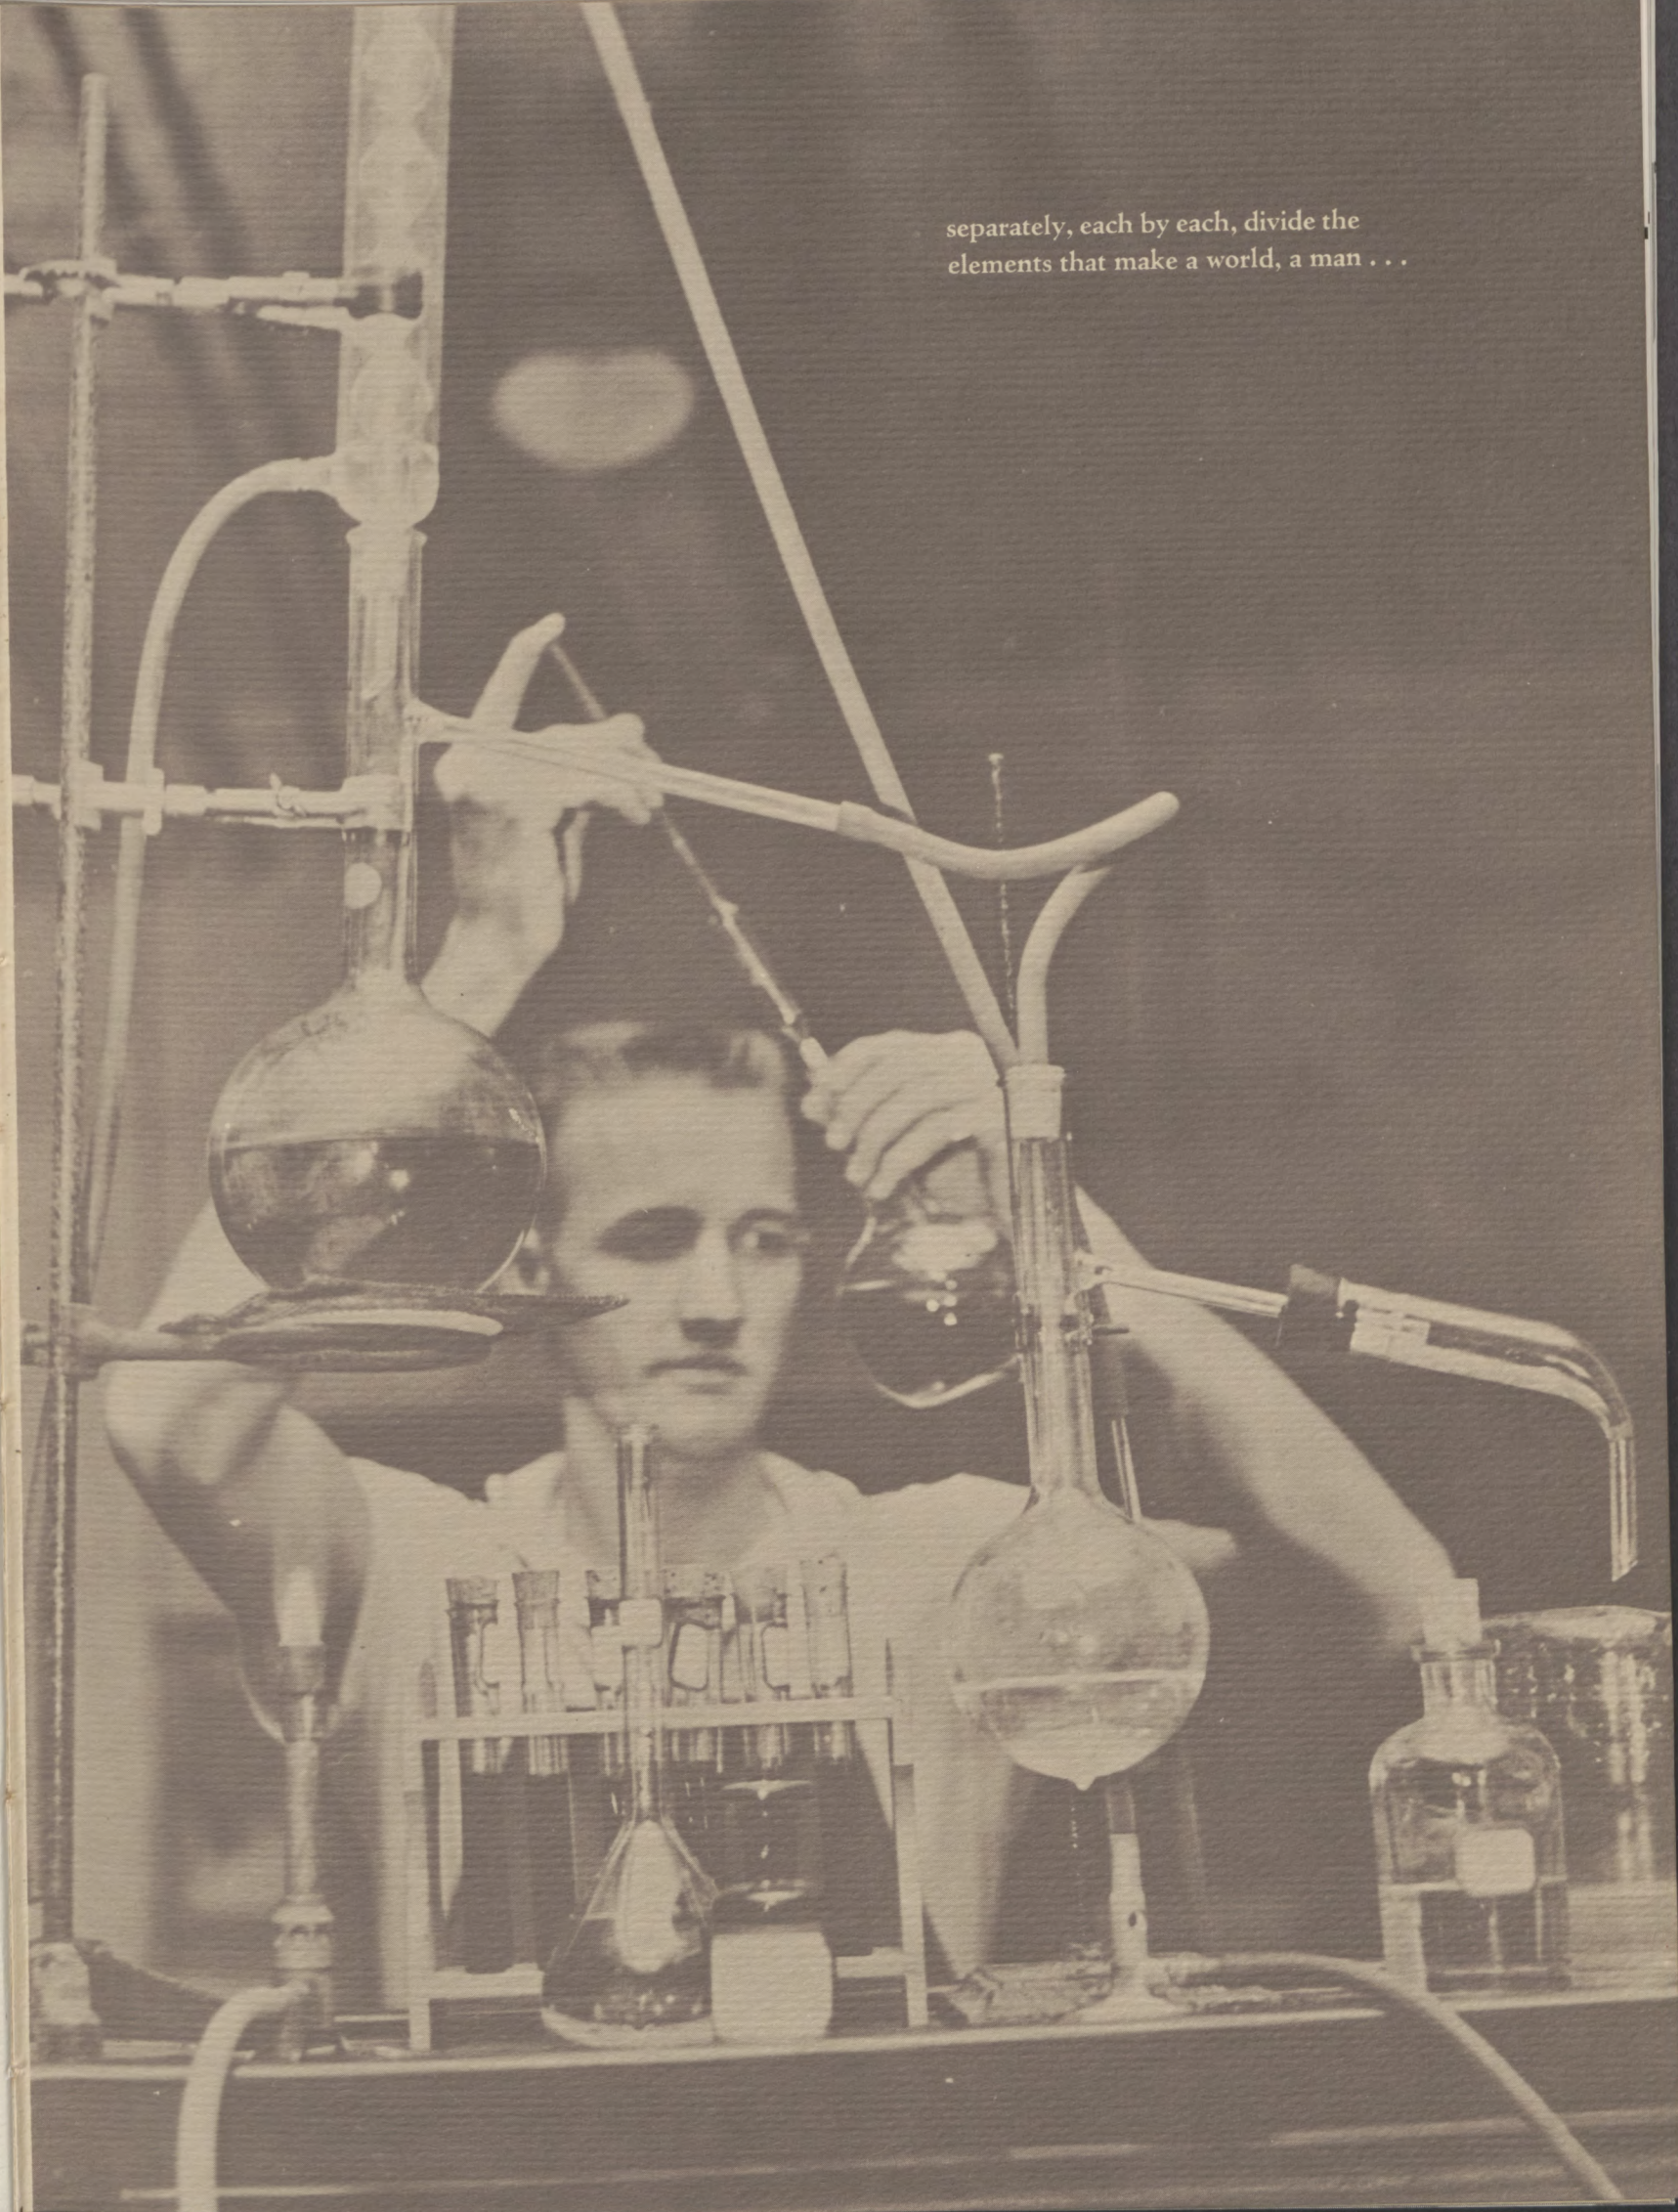

as every man in time is held by all  
 he does not know. So will he join in labor  
 then to build a place of learning, wall  
 apart a space for study with his neighbor—  
 and for his daughters and his sons  
 that they may enter each alone  
 into the search, and seeking see  
 in the eyes of one another  
 the mutual quest and question; so  
 they'll seek alone together . . .

separately, each by each, divide the  
elements that make a world, a man . . .

... compounded once again, share them  
alive in elemental pleasures, grasp  
their span

and probe their scope, shout their sounds,  
and give enough rope by leaps and bounds—

(all limitation  
forget in folly,  
try imitation  
if you can't *be* jolly)  
shinny their heights  
and drop their deeps,  
turn out their lights  
and sleep their sleeps.

And after, feel in solitude the stir  
and pause of wordless thought, recurrent pain  
rising from old seed-beds to occur,

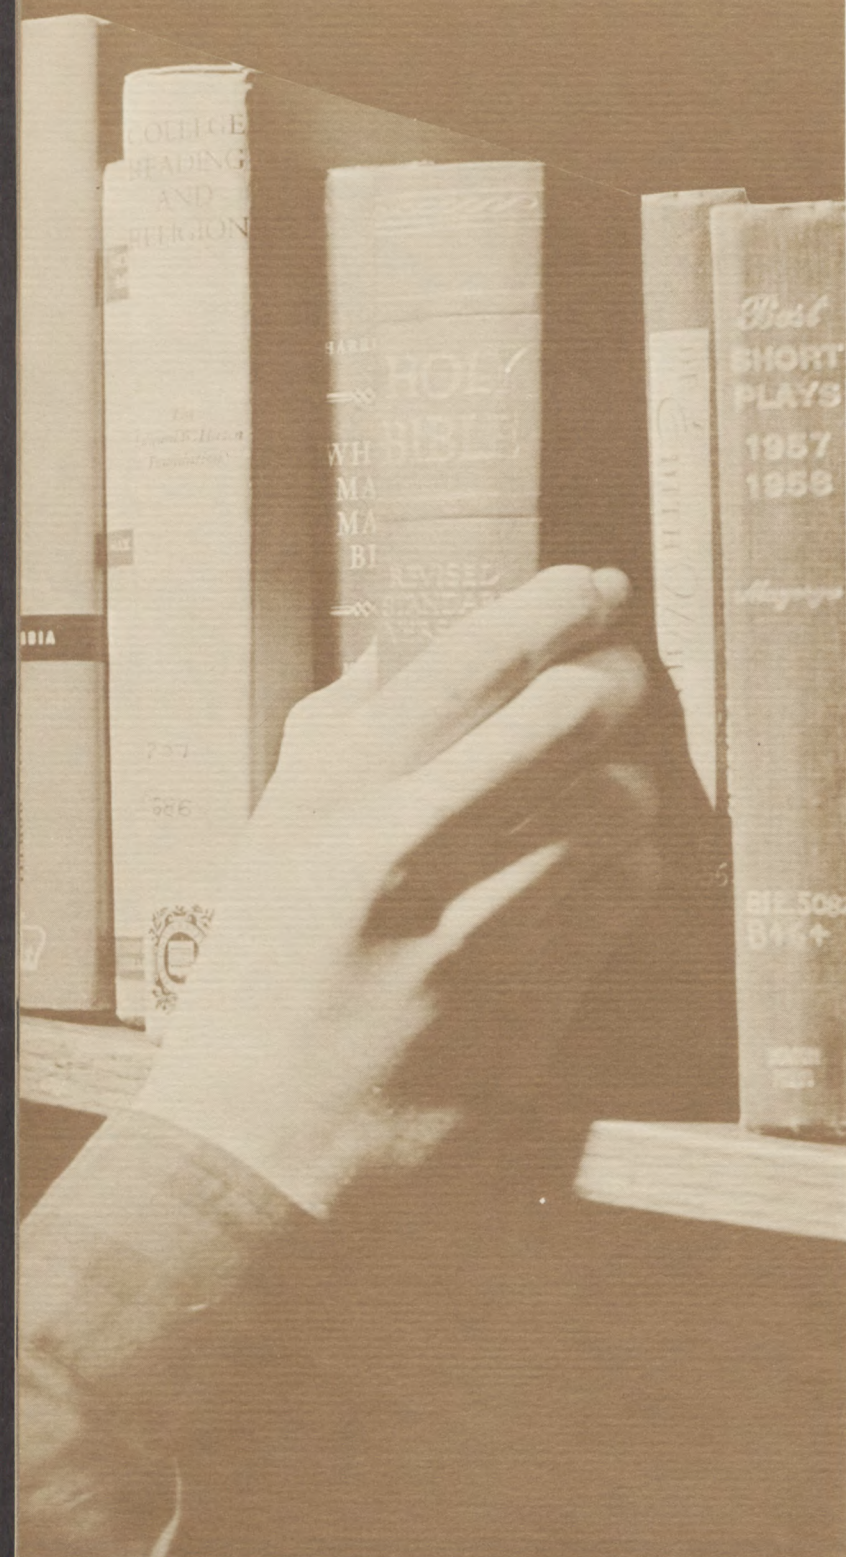

dormant until the bright despair of rain.

Look in and out and, lost, look all around  
 for words to phrase the question, hear replies.  
 Look into books within whose backs are bound  
 pages of people lost and seeking too,  
 and striking light in living dark as skies  
 are struck with stars. Reckon with one who,  
 divine on earth though hampered in the flesh,  
 gave life and death directions; then refresh

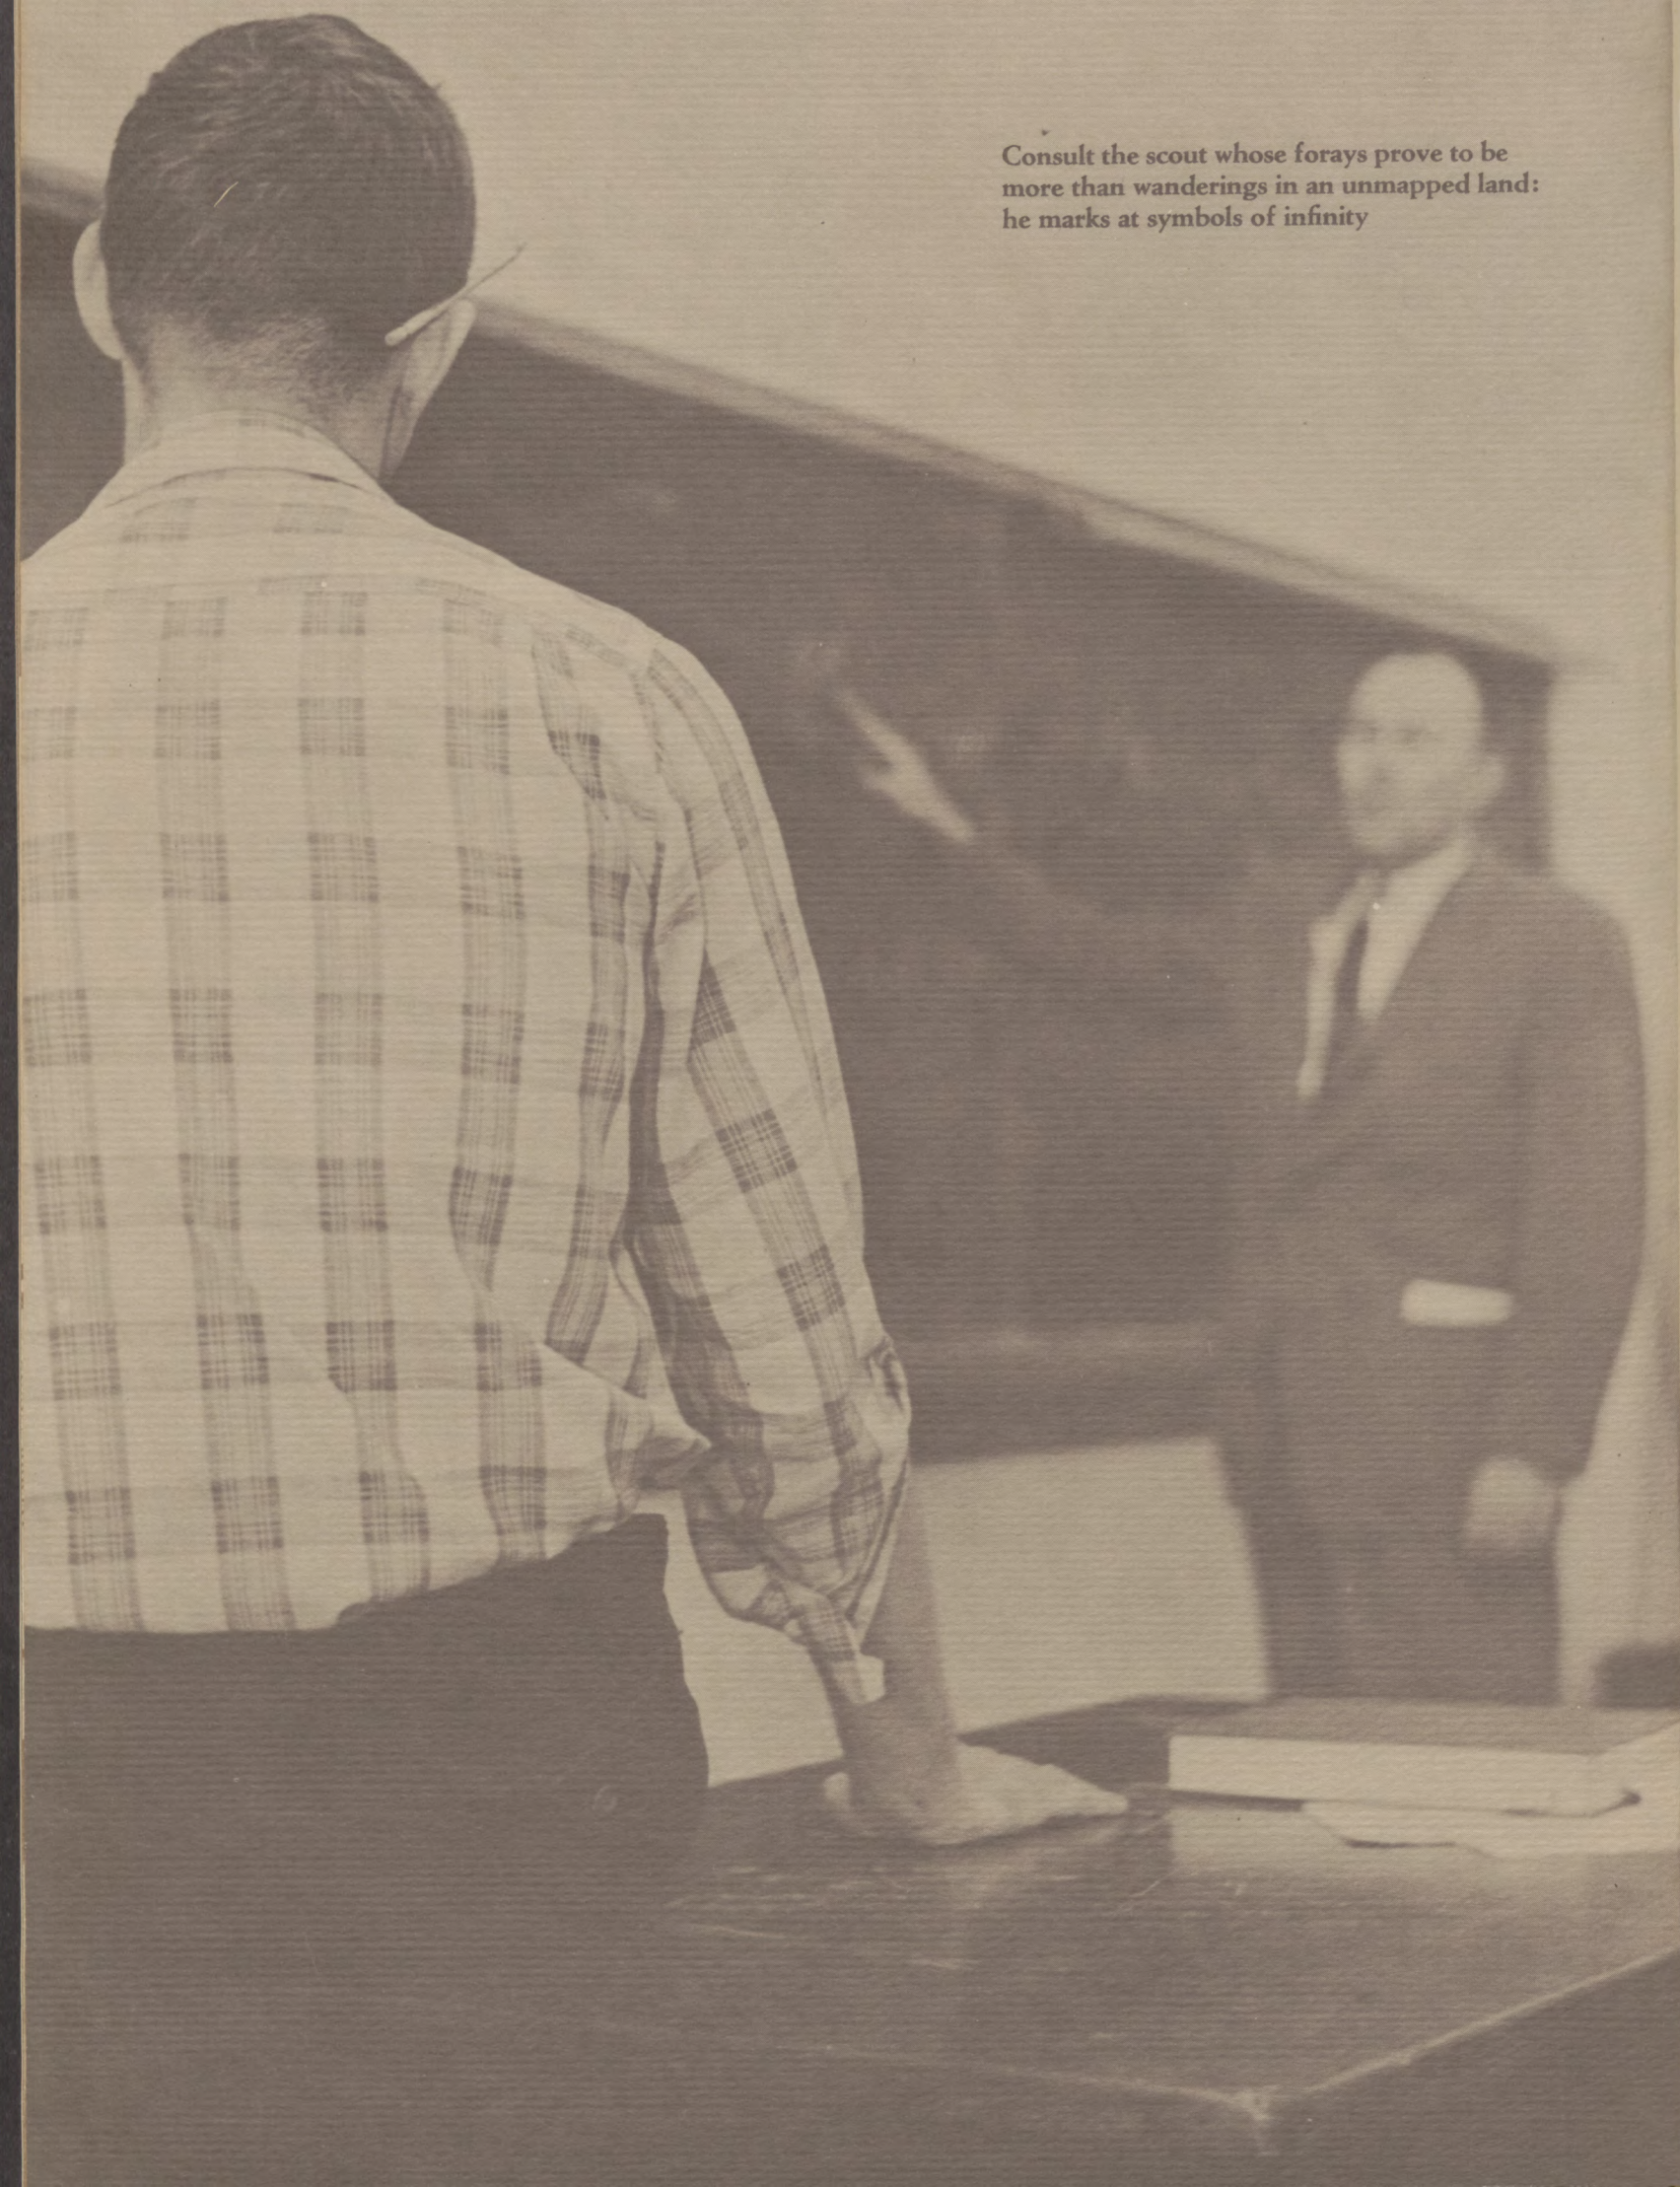

the lonely quest with friendly talk,  
arguments, discussions; walk  
the unfolding ways that minds can pass  
together through a formal lane  
laid out before, or plunge en masse  
in jungles, shouting the terrain.

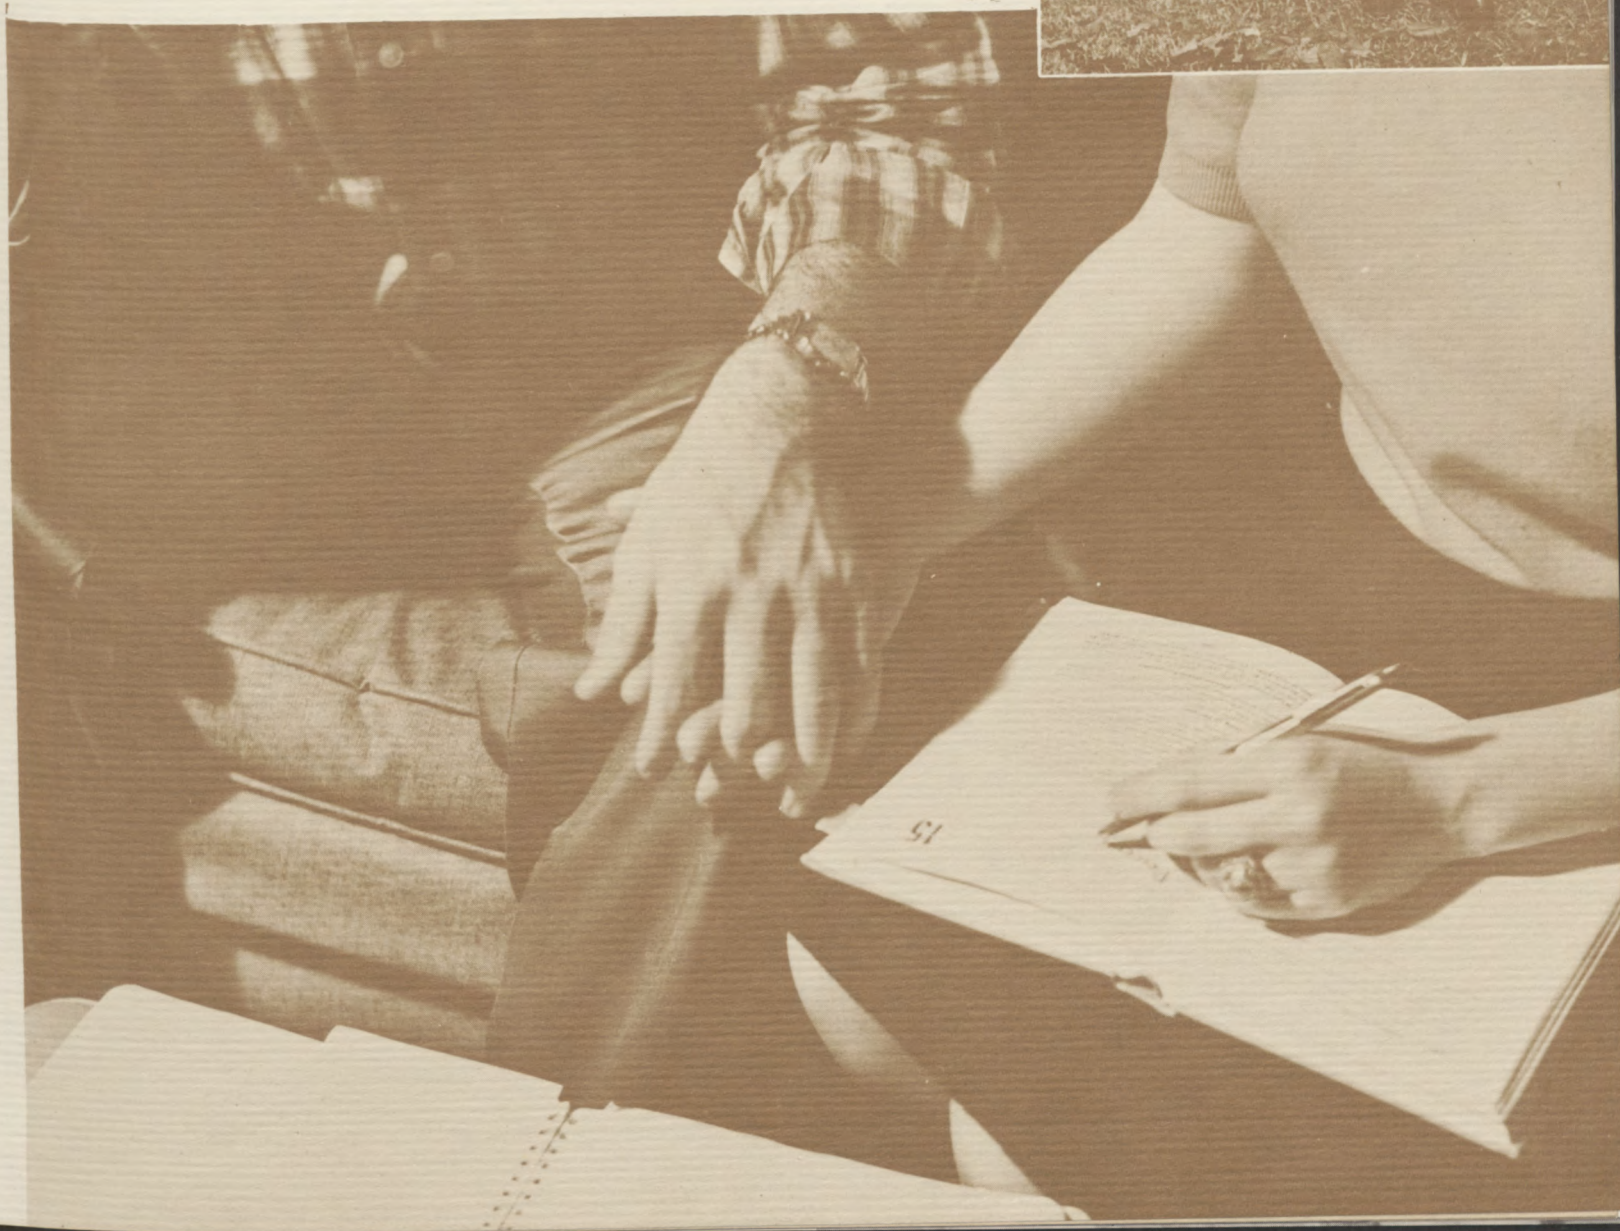

Consult the scout whose forays prove to be  
more than wanderings in an unmapped land:  
he marks at symbols of infinity

toward which we reach and labor hand in hand.

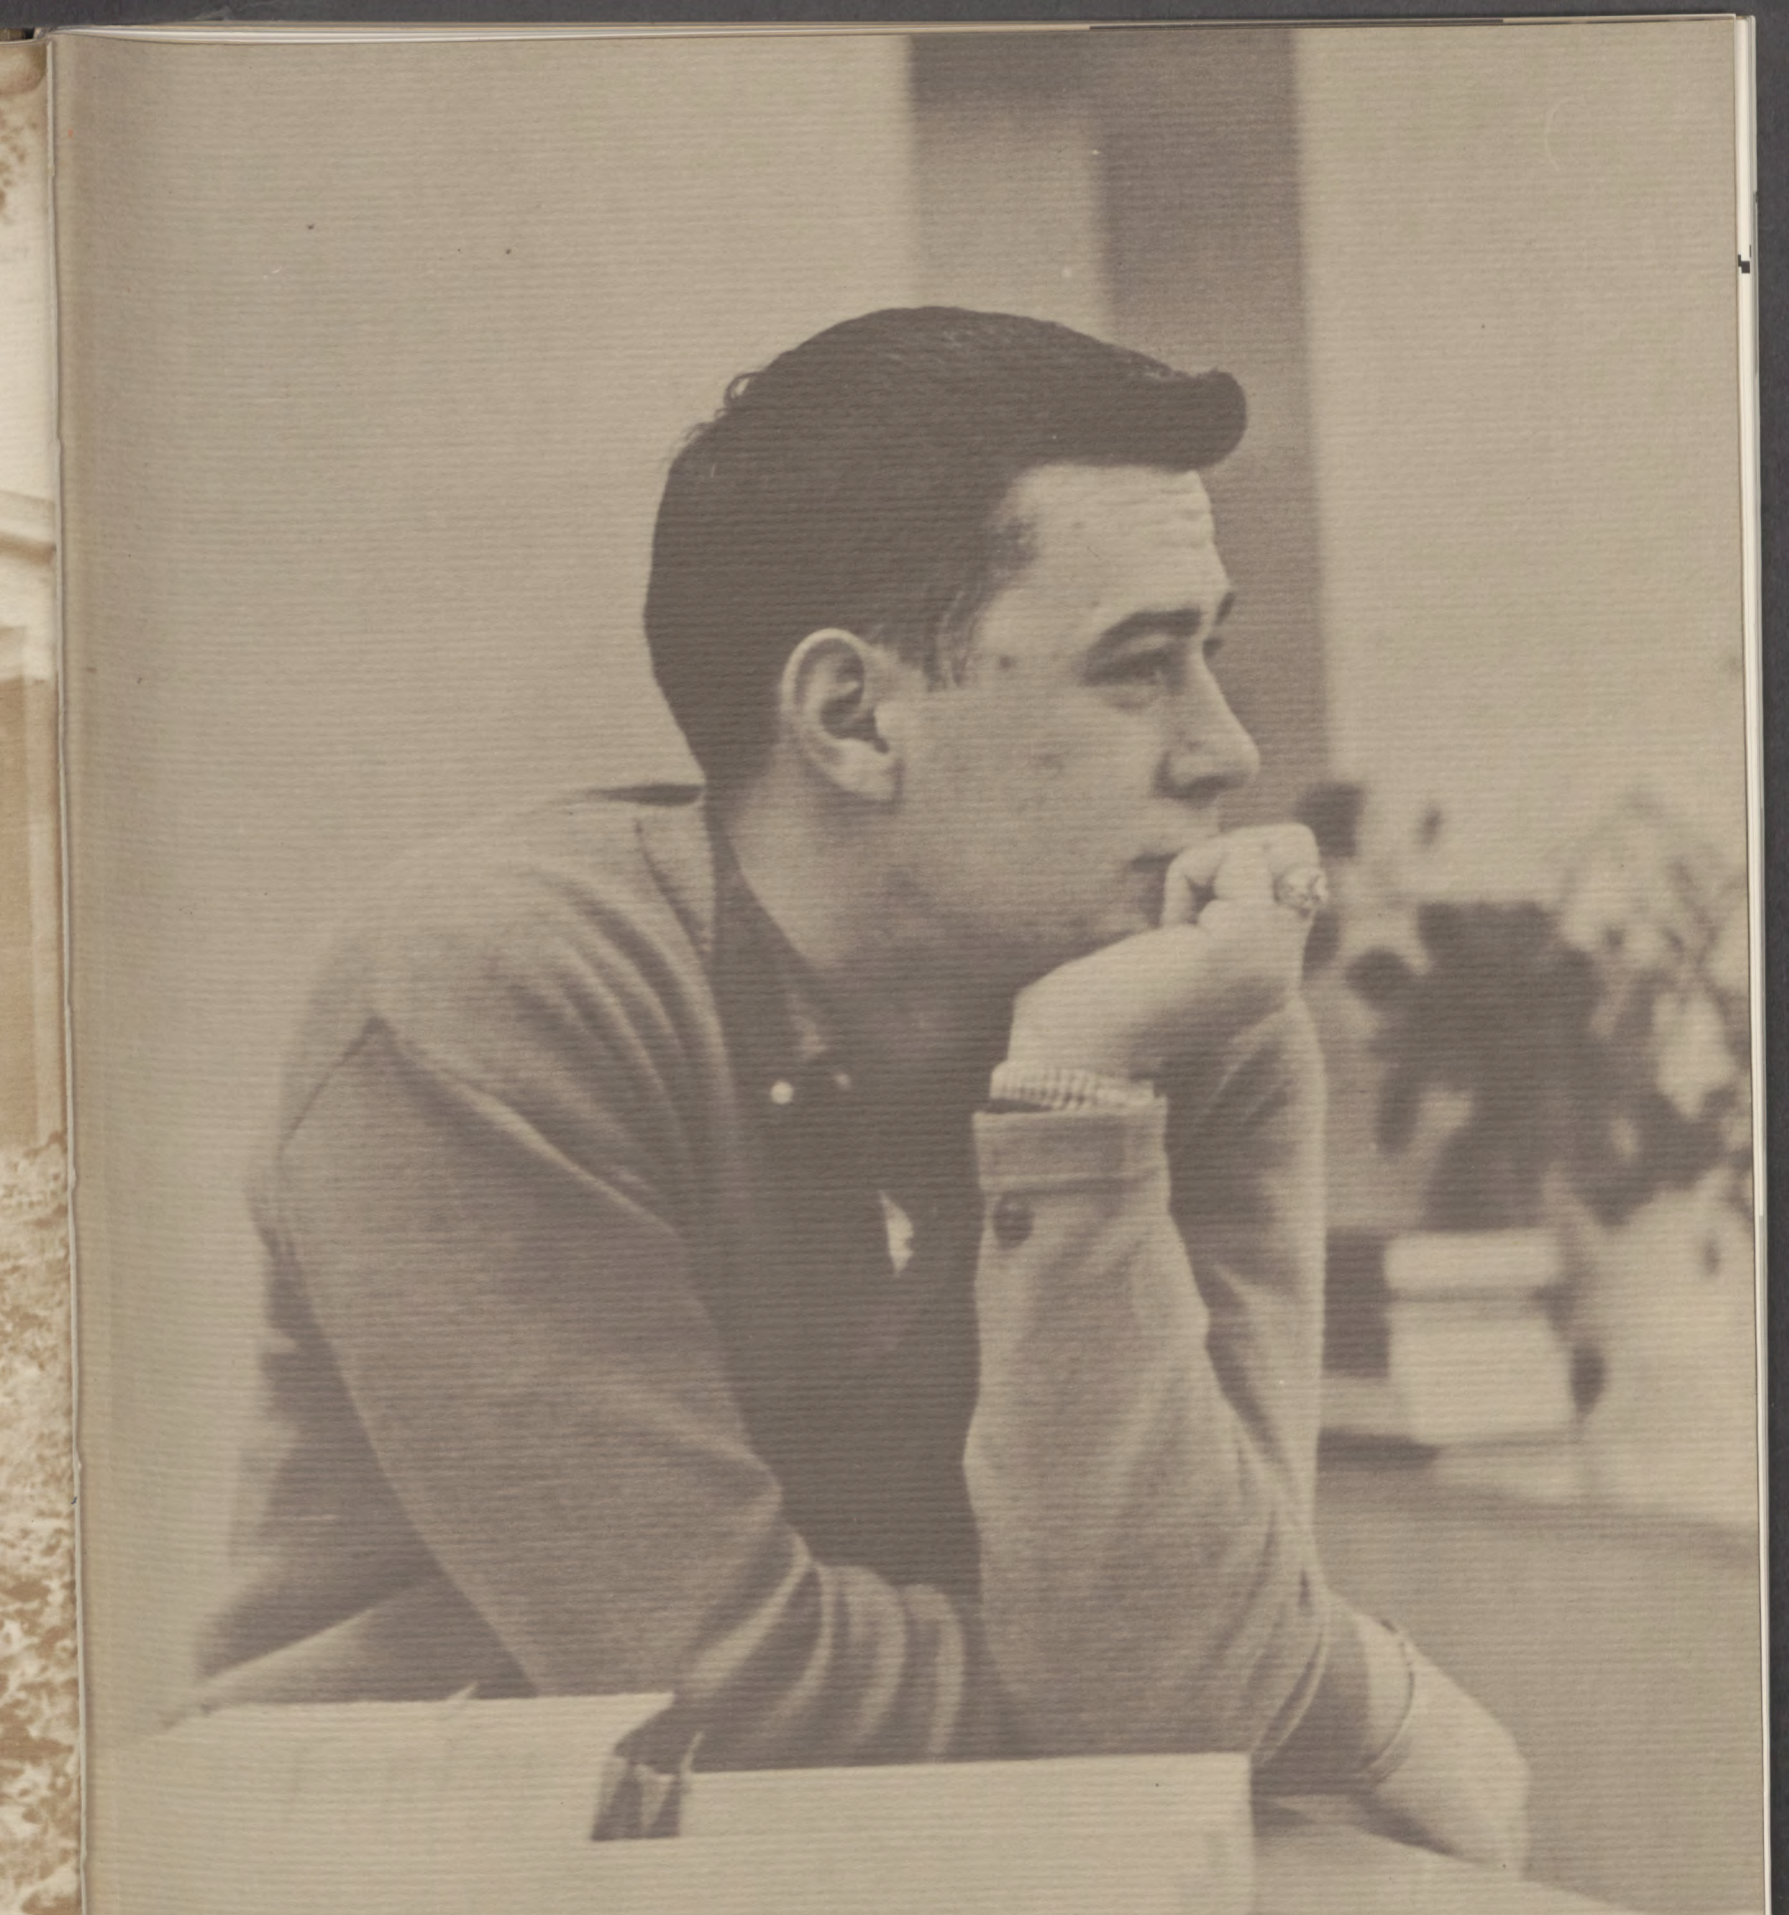

Teachers, companions, rooms and books are aids  
at best: the earth we walk is rough, its ways  
eroded, ragged with leaves. None of us evades,  
can trade his path, but solitary pays

the price of life for knowledge and new birth,  
the price of dreams for his own hold on earth.

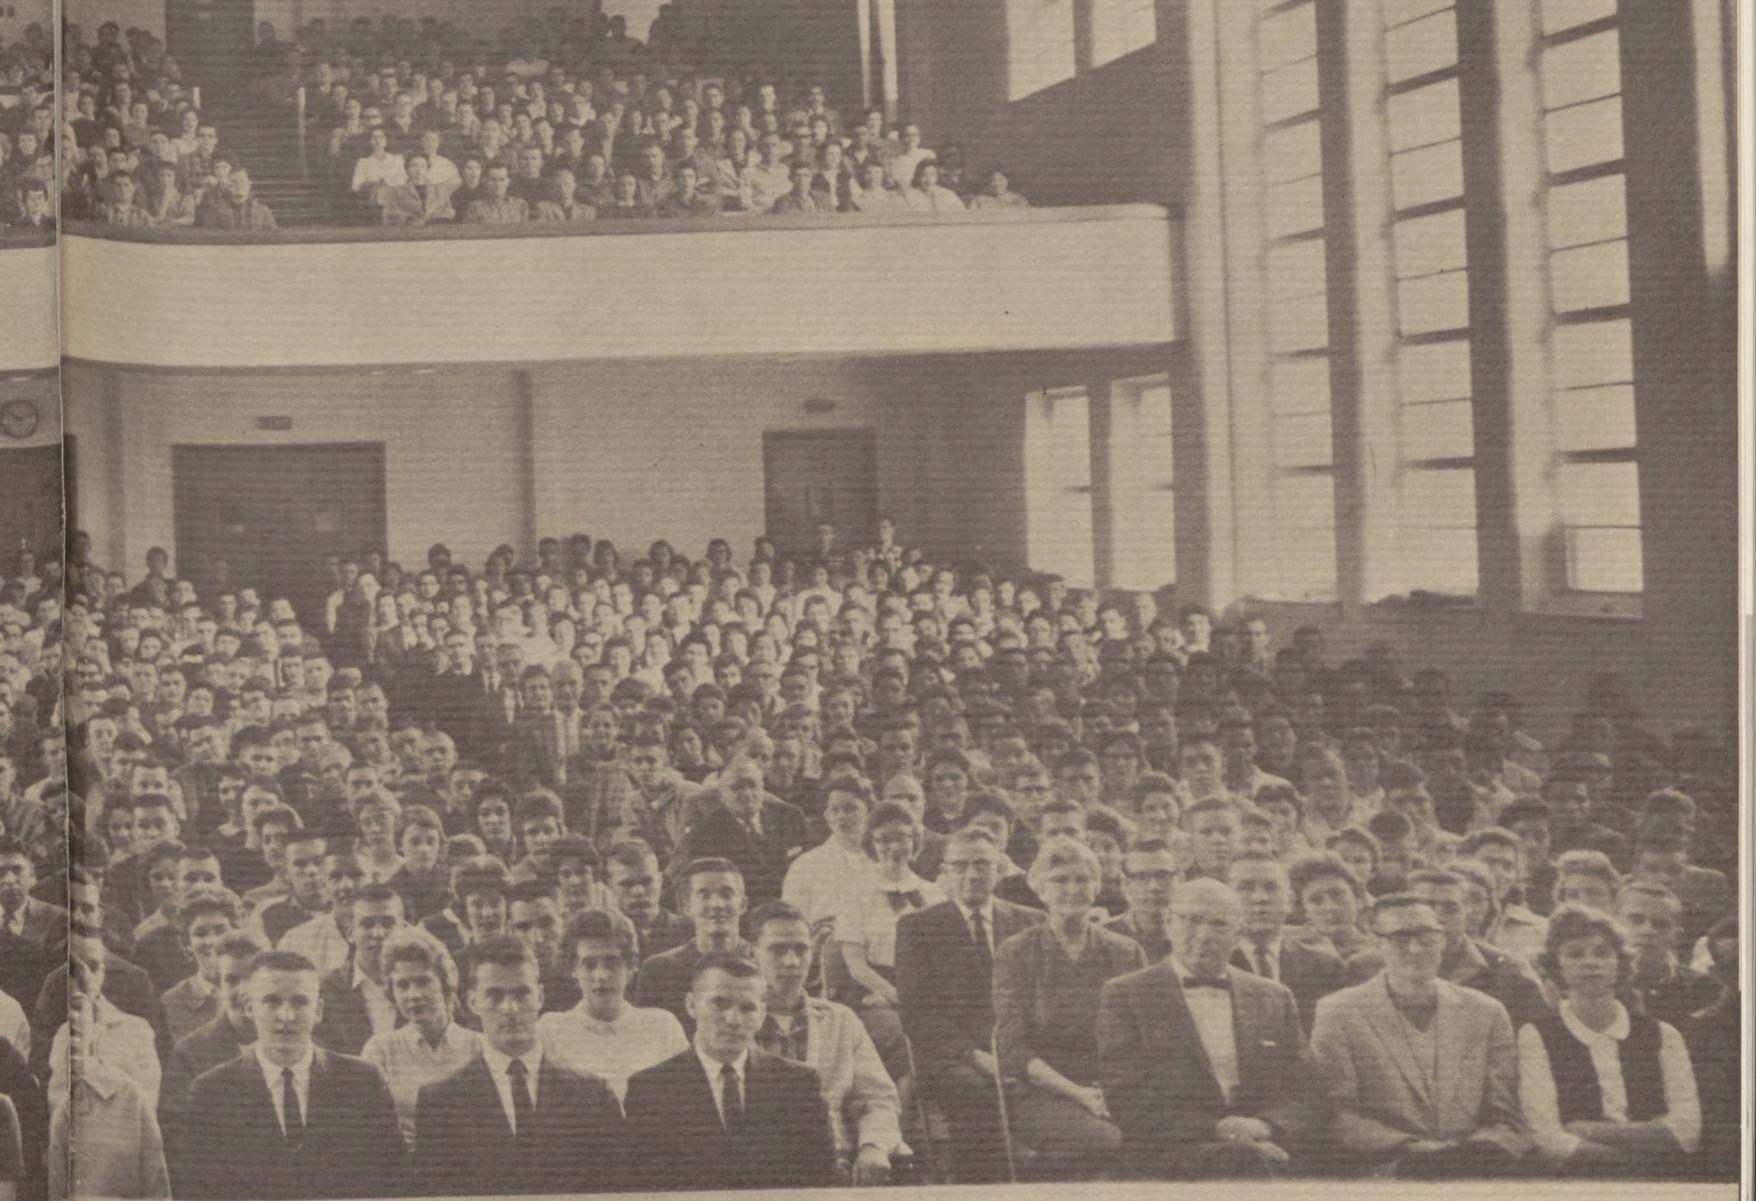

THE 1960 TRIBESMAN IS  
DEDICATED TO...

the Students...

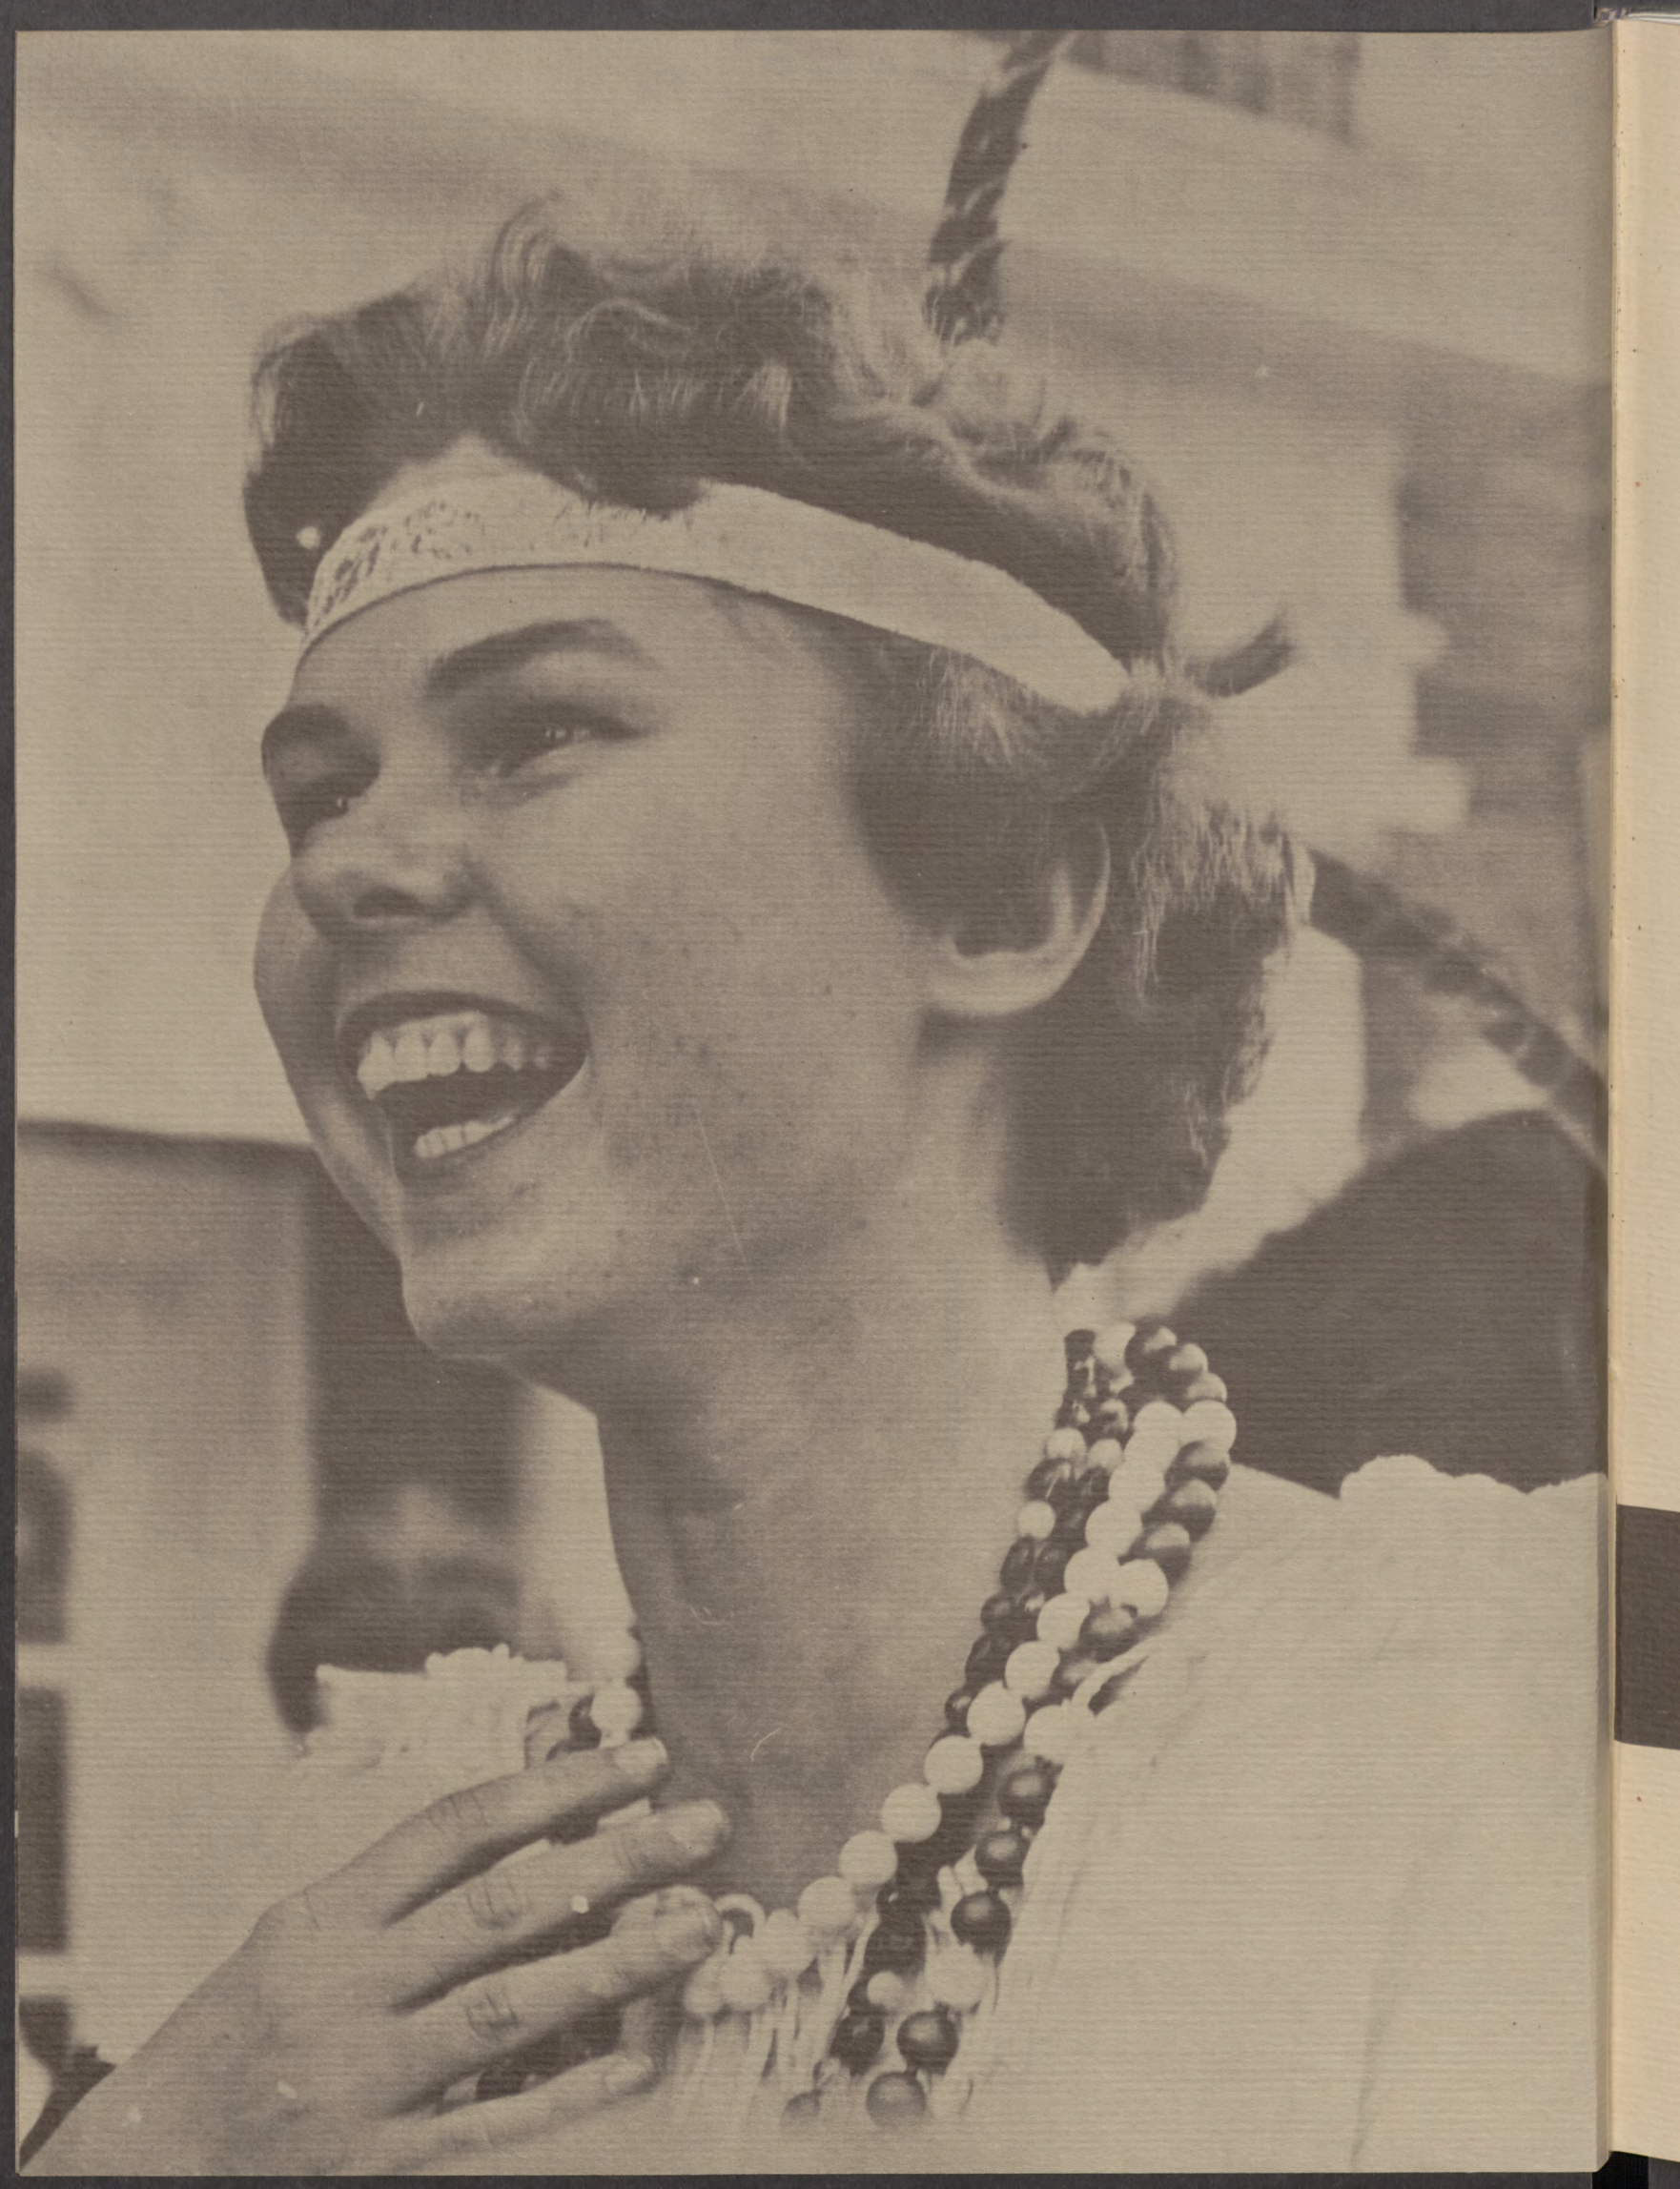

who in a continuing stream are  
the youth, the vigor, the life  
of Mississippi College

The student—the seeker—navigating his way through his own chosen maze, his labyrinth of lectures, studies, exams—is wont to pause in his quest of knowledge, to experiment, perform, create—to lead the full life. His path here branches many ways, affording stimulation for his mind, release for his more dynamic energies, or, simply, amusement. Returning at last to his scholar identity, he is enriched in patience, perseverance, and usually humility—virtues of value for a better person, a better student.

From early September when it was first conceived, through the busy days and busier nights of its growth, and up to the final hours when at last it came of age as a work equal to the best of its predecessors and at once strikingly different from any of them, its editors and staff have sought to make the 1960 TRIBESMAN a comprehensive and memorable record of the school year 1959-1960. It is their express desire that their work meet your approval.

The student's existence is seldom an easy one. Pressures are often more than he can bear. Many—not all—have the wisdom to seek counsel from someone a little older, a little wiser, who strangely enough never seems to be too busy with administrative duties—or test papers—to lend a helping hand.

DR. R. A. McLEMORE—a unique combination of a capable administrator, an exemplary Christian, and a true friend to all students—is now serving his third year as President of Mississippi College. Constantly confronted as he is with a busy schedule of activities and appointments he has always executed his duties in a way that has won him the admiration and affection of faculty and students alike.

The 1959-1960 Parade of Favorites program was entitled "Stairway to the Stars"—a fitting title for the array of personalities featured. The young men and women appearing below are figuratively, on the stairway to the stars, for they have proven their worth and potential to such an extent as to merit recognition by their peers.

# Who

## and Universities

His quiet and unassuming manner with the willingness to accept responsibility have made Larry a favorite among faculty and students alike. He has dedicated himself to his studies, while at the same time participating actively in M.C.'s religious and student government life. Some of his activities that merit this tribute are president of the dormitory council and membership in the B.S.U. Executive Council, Physical Science Club, and varsity football team.

With energetic spirit and capabilities unlimited Mamie has chosen to serve her college. It is difficult to measure the contributions that she has so unselfishly made. Her activities have included the B.S.U. Freshman and Executive Councils, member of Swannanoa Tribe, Y.W.A., and F.T.A.

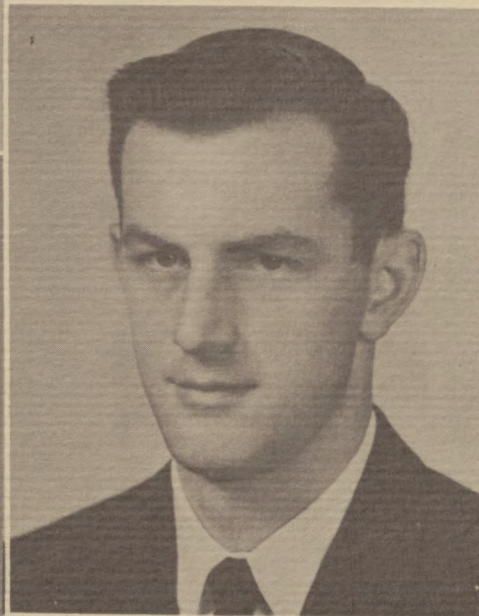

Gail is a conservative, yet active, student among the Chocs. Her thoughtfulness and efficiency have been a challenge to all who know her. Being a member of five honorary fraternities—Eta Sigma Phi, Sigma Tau Delta, Pi Kappa Delta, Kappa Delta Pi, and Cap and Gown—has not limited her contribution to the social functions at M.C.

GAIL WEAVER

JOHN LANIER YOUNG

John might well be called "Mr. Music" of the M.C. campus. His outstanding ability in the field of music is demonstrated by the fact that he has been a member of the band, the Chorale Choir, and the Robed Choir. He was also chosen as a member of Phi Mu Alpha Sinfonia.

WILLIAM LARRY ZIGLAR

Throughout his college days he has served as a cheerleader, having been head-cheerleader his junior year. He has also been an active member in the Forensic Club, Phi Kappa Delta, Phi Gamma Ju, and M Club. Because of his journalistic abilities he has served on the *Collegian* and *TRIBESMAN* staffs and as editor of the *Tomhawk*. As a speaker he has won many coveted oratorical awards and medals on the campus. He has also served his fellow students through various B.S.U. offices.

Seeking to live a rich, complete life, the student turns to athletics. Here the supple graces of the human body are united with the perception of a quick mind to combine individuals into a harmonious force of cooperation and competition that accepts defeat as honorably as it rejoices in victory.

**COACH STANLEY ROBINSON**  
*Head of Athletic Department*

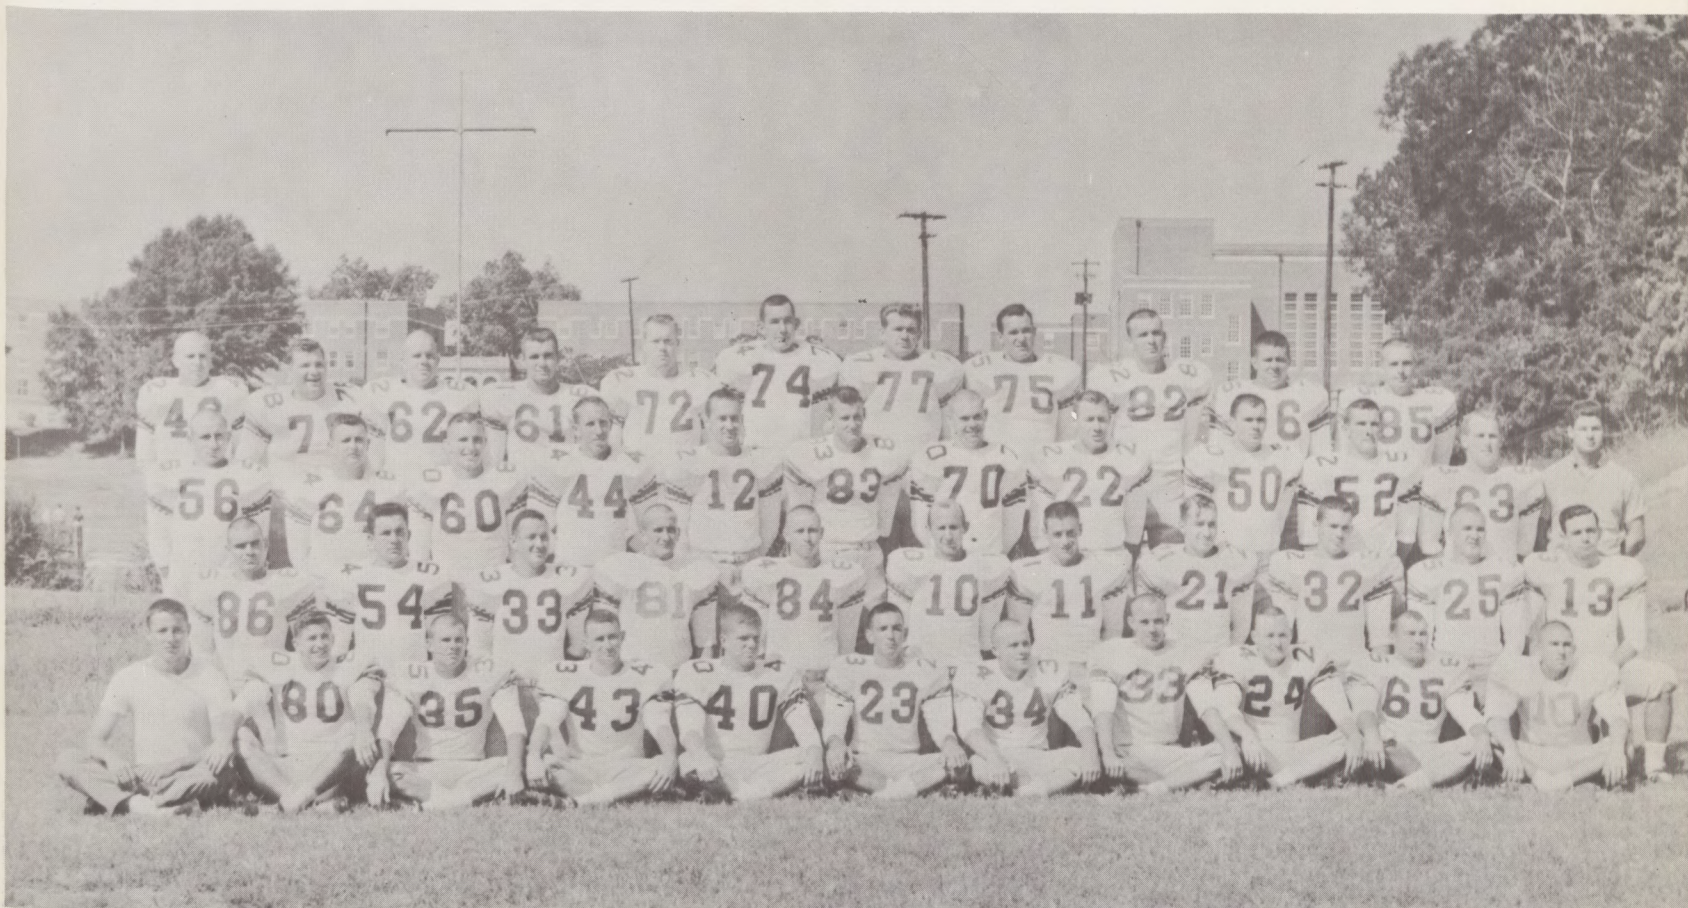

The Mississippi College football team started its 1959 season under the direction of an almost entirely new coaching staff. Head Coach Hartwell McPhail came to M.C. from the Greenville, Mississippi, high school. He had already established himself in the coaching world by winning the Big 8 Conference Football Championship two straight years at Greenville. Arriving from Pascagoula, Miss., Coach Blackwell was assigned the duties of line coach and promptly molded a first-class forward wall. J. P. Buckley joined the Choctaw staff from a coaching position in Crystal Springs, Miss. Rounding out the coaching crew was veteran M.C.er James Parkman.

Under the excellent direction of Coach McPhail and his able staff of assistants the 1959 Choctaws compiled an outstanding 7-2 record, the best since an identical mark in 1950. But the football squad merely paved the way for the record-breaking victories that were to come to the Braves in their 1959-60 sports ventures.

# SEWANEES SAYS CHOCS BEST TEAM IN 1959

SEWANEES—The 1959 Tigers of the University of the South overwhelmingly named Mississippi College the best team they faced during the campaign just closed. The Choctaws panted Sewanee 27-6 in the season's fourth game, one of three teams to win over Coach Shirley Majors' charges. The other two victors were Hampden-Sydney, 35-0, and Howard, 20-0, which received respectively 6 and 2 votes in the balloting against 27 for Mississippi College.

It was a Howard tackle, Bennie Storie, who received Sewanee's player-votes for "best opposing lineman" and Hampden-Sydney's Bill Benson who was named "best opposing back." The voting, according to captain-elect Jody Gee, of Carrollton, Mississippi, showed the value placed by the Sewanee players on Mississippi's superb teamwork.

Playing before a jam packed crowd in College Stadium at Pineville, Louisiana, the Mississippi College Choctaws opened the '59 football season with a loss to the La. College Wildcats. Although the highly favored Wildcats came out on top, the Chocs gave a creditable showing. La. College, led by Joe Stewart, crossed the white stripe into golden land in each of the first three periods. Miss. College penetrated deeply into Wildcat territory in the second and fourth periods, the last drive falling short at the Wildcat 4 yd. line, where Halfback Ray McPhail was dropped by the vicious Wildcat line, after picking up valuable yardage. The passing arm of Quarterback Larry Therrell led the Choc offensive attack.

Mississippi College ended its victory drought with a 14-7 win over the Southwestern Lynx in their home opener before a near capacity crowd of 5,000. The Chocs first T.D. came after Guard Curtis Nix pounced on a Lynx fumble. With Fred Kelly and Tommy Alexander alternating the ball carrying chores, the Chocs advanced to the 8 yard line. Alexander then exploded over tackle for the score. In the second period, after guiding the Chocs down the field with his passing arm, Larry Therrell went in from the one for the Chocs second tally of the night. Milton Thomas booted both extra points. Southwestern fought back and scored in the third period. Choc standouts included Halfback Benson Holland and Fullbacks Linus Bridges and Barry Landrum.

With a 1-1 record for the young season the Choctaws traveled to Sherman, Texas, and gained their second win by downing the Austin Kangaroos 14-6. Alexander scratched first, going over from the seven in the first quarter. Quarterback Lavon Nettles scored in the second period, but the T.D. was nullified because of a penalty. Austin scored in the second quarter, and the score stood 7-6 in favor of the Chocs at halftime. Larry Therrell accounted for the final tally of the evening with a 41 yard scoring dash on an option play. Milton Thomas added both extra points. The alert Choctaw defense was led by Mart McMullan, Jerry Foshee, Curtis Nix, Benson Holland, and Lavon Nettles, while the offensive parade was led by Therrell, Alexander, and Bridges.

With two wins under their war bonnets, the Choctaw warriors unleashed a devastating offense and defense against the Howard Bulldogs that simply blasted them from the undefeated, unscored on columns. The Choc's first tally came in the second period when the Bulldog quarterback, rushed hard by Fullback Barry Landrum, was forced to throw wild. The ball sailed into the waiting hands of Choc defender Tommy Alexander, who returned its 45 yards for the T.D. Lavon Nettles accounted for the second T.D., racing 5-yards around end for the score. In the third period Alexander added 6 more points, driving in from the twelve. The final tally came in the final period when Benson Holland went in from the six. Milton Thomas added three extra points.

COURT: Ann Toland, *junior maid*; Sarah Odle, *homecoming queen*; Alice Ann McCann, *freshman*

High point of the busy schedule of fall activities at Mississippi College was the Homecoming game with Millsaps. The day long awaited came on a cold Saturday, October 24th. To the freshmen Homecoming meant the end of a gruelling initiation. The wiser upperclassmen excitedly anticipated reunions with the alumni and the thrill of the Choctaw spirit personified.

On Friday evening, accompanied by the haunting, never-ending pulsation of the Choctaw tom-tom, "funeral" services were held for the soon-to-be bruised and badly beaten Major Millsaps. Enthusiasm mounted as the Major was burned in effigy by the warriors. But the festivities were just beginning. The tom-tom throbbed on as tired

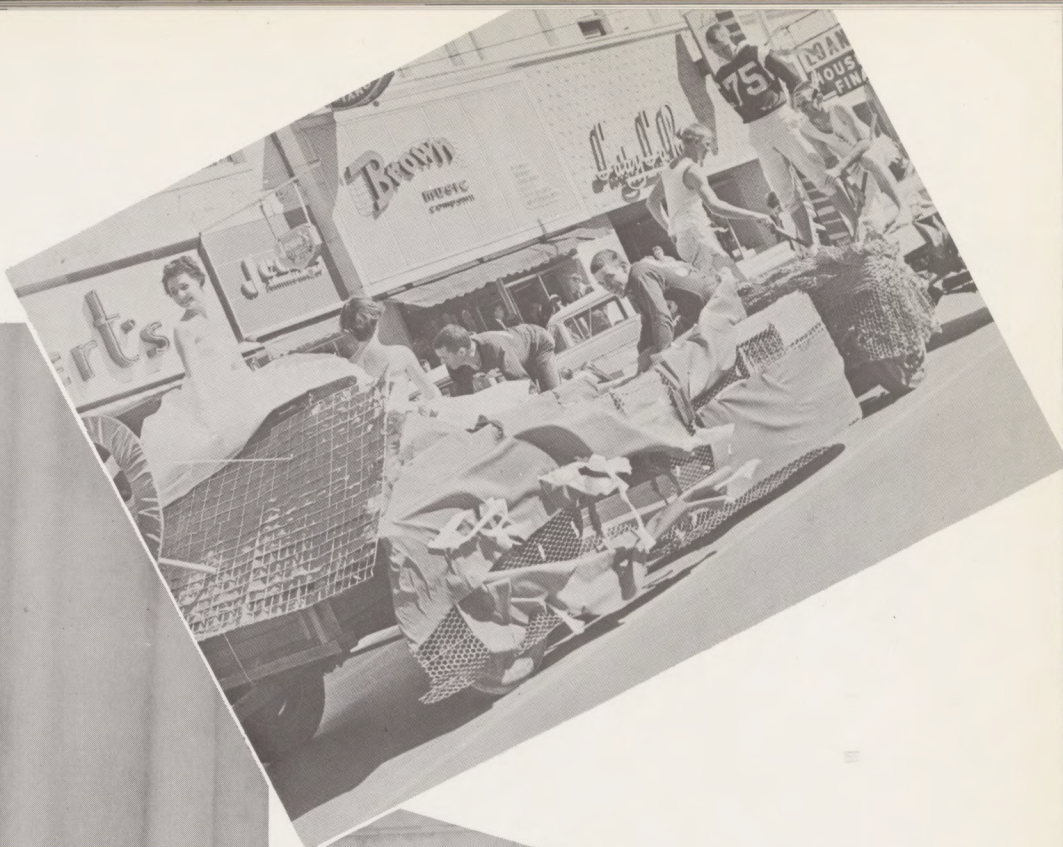

but happy Choctaws worked through the night on floats for the Saturday parade.

How the moments flew by that day! The windy parade in Jackson gave top honors to the Nenamoosha, Pre-Med Club, and B.S.U. floats. Ross Barnett was named Alumnus of the Year at the alumni banquet. The reservation was flooded with visitors reliving old times and admiring the class displays. Then came the presentation of the Court, just before the game. With Queen Sarah Odle and her princesses leading them, the Choctaw fans bundled up with blankets to cheer their team to victory. Chief Brave Ken Lyle accepted the Major's sword from Millsaps as the pleased crowd echoed an end to Homecoming, 1959.

The Choctaw team gained its 24th triumph in this 39th gridiron dispute with the Majors when it scalped the Saps 26-6. Cold determination of the Braves clashed with feverish Millsaps' efforts to produce an exciting game. Early efforts by Millsaps and M.C. were fruitless against the tenacious defense of both teams. Benson Holland brought the Choctaw tribe to its feet when he sprinted to the end zone from the 35 early in the game, but illegal procedure by the Saps nullified the score. After another futile attempt by the Chocs to reach the goal, the Majors took the ball and kept the game in a stalemate till the last minutes of the second quarter. By virtue of a Millsaps fumble, M.C. took possession on the 28 and worked its way to the one for a T.D. by Linus Bridges.

Midway in the third period Choctaw teamwork proved its efficiency in a series of plays that ended with Bridges scoring and adding the two extras on a toss from Quarterback Milton Thomas. A few minutes later John Smith received a pass by Therrell on the 35 and headed for home and a 20-0 score. Again the Chocs struck like lightning as Bridges chalked up his third and M.C.'s last T.D. for the evening. Furious, the Majors took the kickoff and pushed their way into Choctaw territory. With the luck of a successful pass and a fast-running end, Millsaps racked up its 6 points. Further threats by both teams were profitless, but the fans had had their money's worth.

Held scoreless in the first half, the Mississippi College Choctaws overcame a 6 point deficit, scoring 27 points in the second half to dull the Sewanee Tigers' Homecoming ceremonies. Fullback Linus Bridges pulled over from the two for the first tally. Bridges also accounted for the second T.D. A pass from Therrell to Holland netted 21 yards and another touchdown in the fourth quarter. The final tally came after Nettles and Landrum pushed the ball to the Tiger 25. Therrell hit freshman Halfback Oliver Smith for the score with 17 seconds remaining. Outstanding in the forward wall for the Chocs were Furlow, Nix, McMullan, Hathorn, and Martin.

Before the game with Harding the Choctaws met their second and final defeat of the season when they bowed to the Hendrix Warriors 7-0.

Mississippi College . . . . .	47
Harding . . . . .	7

It was freezing on the reservation, but the red hot M.C. Choctaws were oblivious of it as they ran roughshod over the Harding College Bisons 47-7. The large crowd was hardly settled before the Chocs reached pay dirt in the first 30 seconds with Quarterback Lavon Nettles carrying the ball over on the second play. Halfback Benson Holland dashed through the right side six for the second T.D. After a 59 yard drive the Chocs scored again as Charles Garrett ran in from the 15. The Braves got their hands on the ball in the beginning of the second quarter and Bridges did the honors. 2½ minutes later Therrell scored for a fifth T.D. Harding made its only points at the end of the first half. Doty polished off the M.C. score in the last half with two spectacular T.D.'s. Thomas and Pounds added the extra points.

In the final game of the season the Choctaws gained victory number seven by beating the Livingston State Tigers 14-6. During the cold first half both squads slugged goalward but neither could score. Immediately after the halftime Mississippi College got its first touchdown with Halfback Fred Kelly getting the score. A Livingston punt dropped the Chocs back to their six yard line, and a fumble gave the Tigers the ball for the Livingston T.D. A fumble on the Tiger kickoff placed them in scoring position again, but M.C. took over after a futile attempt at a field goal. Quarterback Lavone Nettles scored the final T.D. in the fourth, going eight yards for the score. Milton Thomas booted both extra points, and Landrum and Holland racked up points in yardage.

# Basketball . . . We're Number One!!

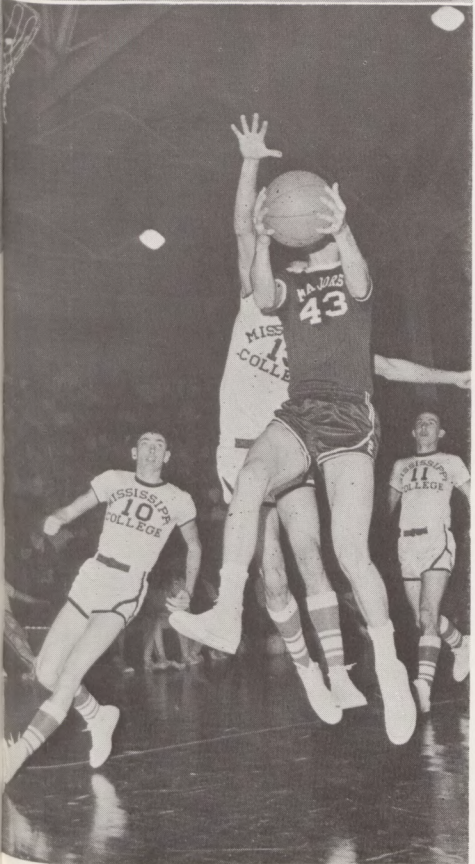

COACH JAMES ALLEN

Mississippi College was Number One in scoring among the nation's small college teams when they finished their pre-Christmas schedule. At that point they had won five games, lost two, and had amassed a grand total of 794 points—a cool 113.4 average—according to the NCAB, the NCAA's statistical bureau.

Coach James (Stute) Allen opened his seventh season as head coach of the Choctaws, and after three sub par seasons, he was ready to restore the old Mississippi College brand of rock 'em-sock 'em, high scoring, run and shoot basketball that had packed Alumni Gym to the rafters in not too many years past.

Using a combination of veterans—Tommy Covington, a sure candidate for Little All America, Mike Ponder, Johnny Gray, and Johnny Plummer, Allen added other old timers Frank Lawrence, Glen Holmes, Dorsey Deaton, and newcomers "Dutch" Nichols, Tom Lee, H. T. Busby, Al Sheffield, Frank Drummonds, Billy Gibbs.

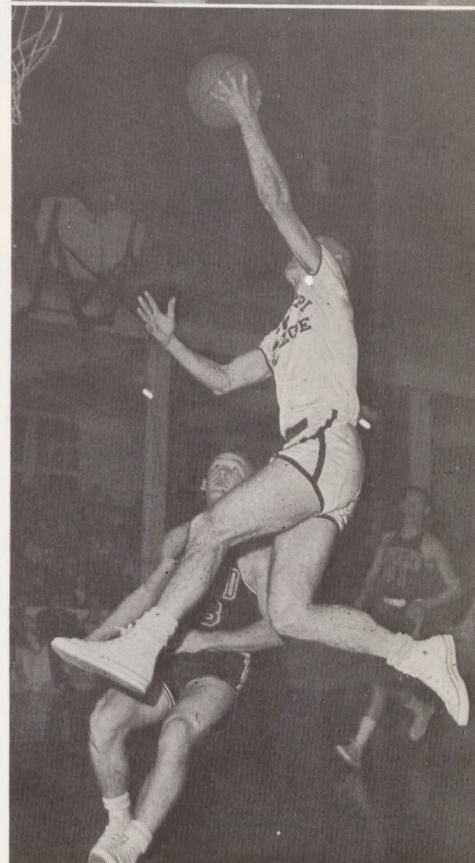

The first time out with this new creation, we lost to Ouachita, but that loss was a spine tingling, heart thumping, foot stomping 121-117 decision that came only after two overtime periods. The fans who went away had seen exciting basketball.

The next time around the Braves pulled out the stops and trounced hapless Hendrix College by a 101-72 margin, and more people came to the game. But that was only the prelude to the complete, total, and utter devastation the Chocs visited upon the Birmingham Southern team the next night. In the encounter Allen let his warriors run all night long, and when the smoke had cleared, the Chocs had rewritten the record books, beating the Southerners 136-108.

Along came Louisiana College then. The Wildcats had wiped the floor with their Mississippi Baptist brethren the year before by a 99-60 margin, and to hear them tell it, they were planning to do the same thing this time and in the Chocs gym.

That one ended with the Tribe on the big end of a 109-100 count, and Allen had his men coasting at the final whistle.

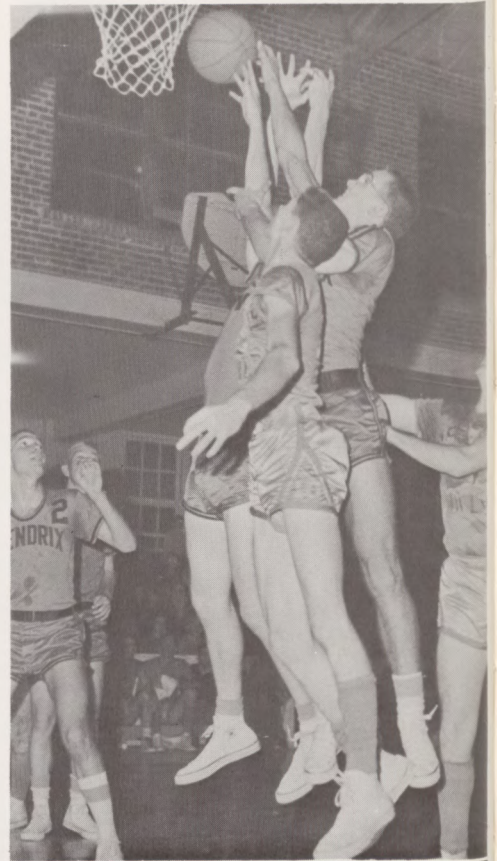

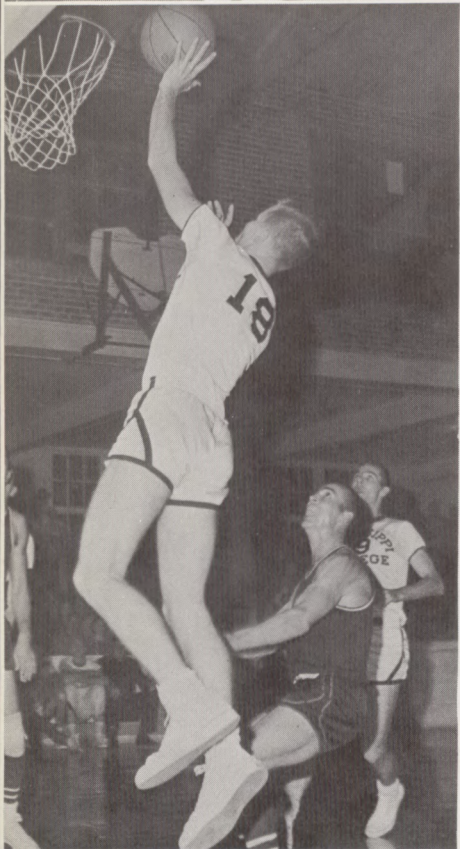

The granddaddy of all games loomed into sight then—M.C. v.s. Millsaps at Jackson's City Auditorium. The Majors, let it be said to their credit, fought gamely, and when they knotted the score just before halftime, it did the Millsaps fans good to be able to cheer their team. After that, however, the cheers came few and far between. Mississippi College won 113-81.

Christmas came along, and Allen revived the Mississippi College Christmas Invitational tourney. In the opening round he sent his high scoring quintet into action against a similar high scoring outfit from William Carey. Height proved the difference, and the Warriors dropped their second by a 110-106 margin.

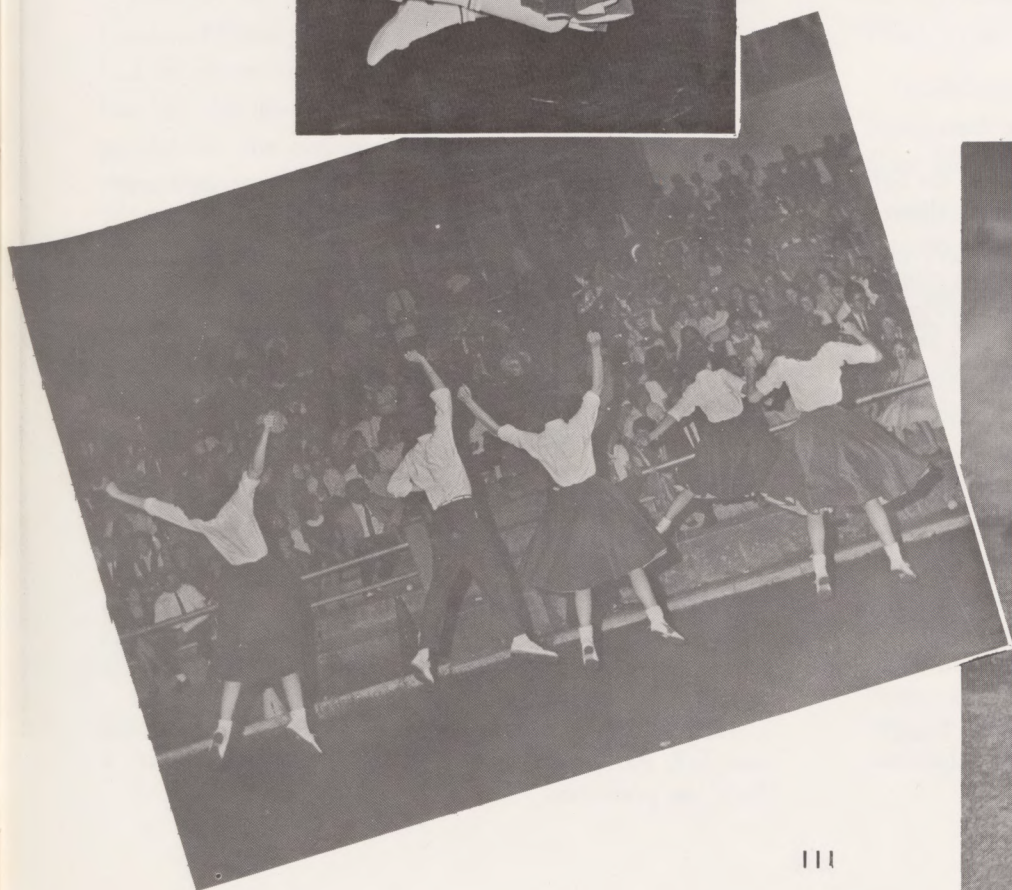

In the consolation game the next night, they rallied to hand Millsaps another licking, this time by 112-72. At that game's conclusion, Covington stood fourth in the nation's small college scoring list with a 27.3 average, and Gray, a 5'9" pepperpot whose habit is filling the sacks with basketballs, was fourteenth with an even 25 points per game.

# Cheerleaders

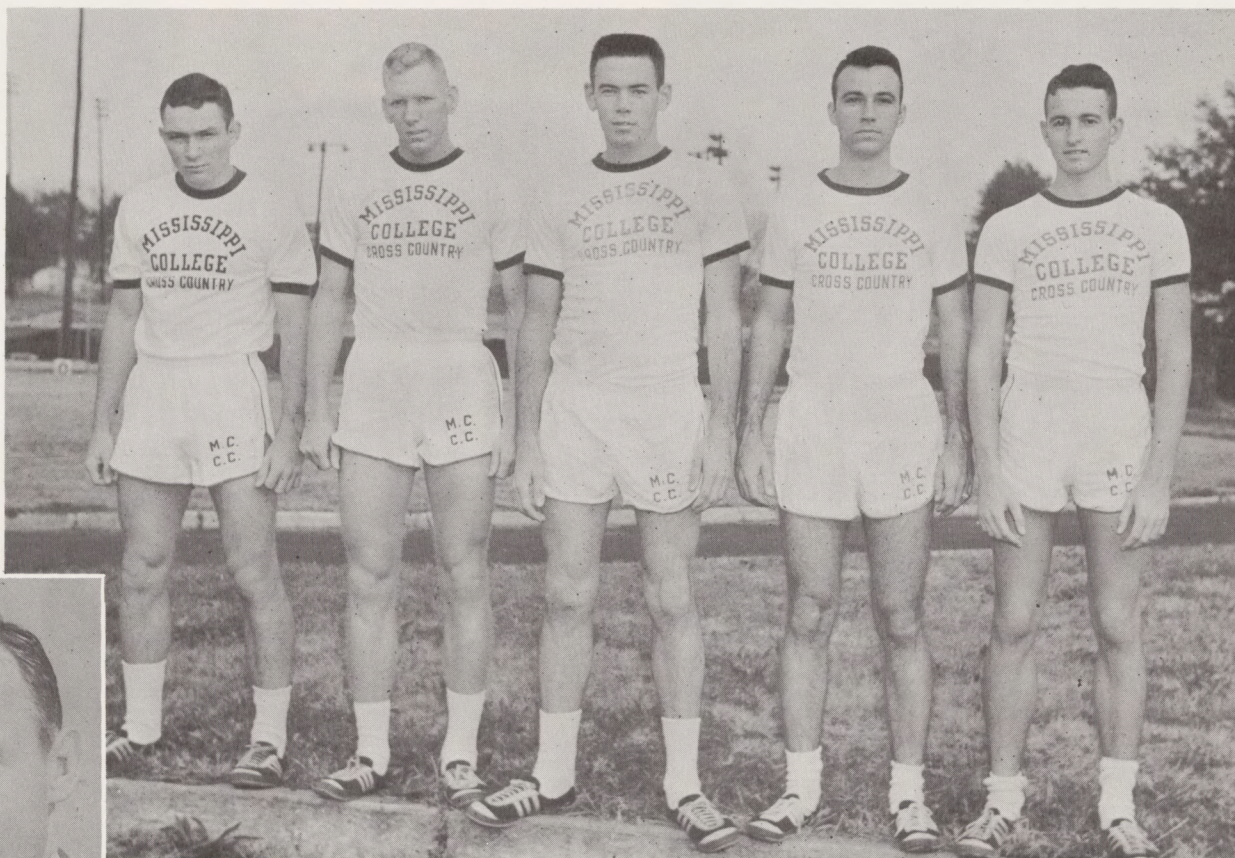

Billy Lytal, Beverly Ingram, George Tate, Brenda Helms, Betty Day Miller, Bobby Herring, Sue Worsham, Shirley Smith.

Headed by Brenda Helms, the Choctaw cheerleaders kept Mississippi College spirits high with the exaltant chants and yells that boosted our team to victory. Throughout the year their contagious enthusiasm captured the loyalty and respect of a responsive student body.

# Cross Country

COACH JIM PARKMAN

Coach Jim Parkman pushed his chair back from the battered desk in the athletic office last September and allowed as how the future looked mighty dim for his cross country team in the coming season. And, he did have some mighty good reasons for his pessimism—in the first place, last year's team went through without winning a single meet; add to that the fact that most of those regulars were gone; and finally, Parkman's squad faced one of its toughest schedules in history.

In the midst of deep gloom there began to arise several slight hopes. The first good news came when Johnny Broughton decided to transfer from Memphis State; then came word that Bill Keesling was moving down from Howard Payne College, and finally Parkman learned that Tom Honea, the state's B-BB mile winner, was casting his lot with the Choctaws. All that information warmed Parkman's heart.

He still had a pair of lettermen in Billy Lamb, a sophomore and junior Bobby Vernon, and along with the three

newcomers, he felt that there just might emerge a team place second in the Union University meet against the capable of putting on a good show.

They did just that, too. Over their six meet schedule, the Choctaw harriers, managed to win two, lose three, and South's best small college squads—far exceeding Parkman's thoughts back in the early part of the fall.

Scores of the meets went like this: Wins were over Southwestern at Memphis by 24-31 (low score wins in cross country) and over Southeastern Louisiana by 21-34.

Losses came at the hands of Mississippi State (runner up in the SEC meet) 32-23, Louisiana Tech (rated right at the top of the south's cross country list) 34-21, and Northeast Louisiana 31-24.

Broughton set a new Mississippi College cross country record, completing the three mile course in 15:05, breaking the mark set by Richard (Bud) Gordan at 15:13.

With all five lettermen due for a return engagement next fall, Parkman should greet the coming season with a little less pessimism.

# Track

Just how do you improve on a 7-1 record? That's the problem Mississippi College's Track Coach Jim Parkman had to answer this spring as he readied his 1960 thinclads for his fifth season. Parkman was faced with the same problem at the beginning of last season, and his squad promptly raced past seven opponents, and nearly past another in one of the most thrilling meets ever to be recorded on the Robinson Field oval before losing to Mississippi State of the Southwestern Conference by a 70-61 margin. That meet wasn't decided until the final event—the mile relay—and even then it wasn't until the final leg that the Maroons pulled ahead to pick up the necessary five points to win.

The Chocs were pushed only one other time during the season, and that was against the Southwestern Lynx at Memphis. Parkman's men won that one by 66½-64½, when late Choc victories in the discus and javelin snatched a seemingly sure victory from the hungry Lynx.

Included among the Braves' victims was one member of the SEC — Tulane — which fell by a lopsided 78⅔-

52 1/3. Others were Troy (Ala.) State 103-28, Emory, (Ga.) 91-40, and Louisiana College 83-58.

In addition, the Baptist thinclads won their own invitational track meet, racking up 132½ points to lead second place Howard with 112.

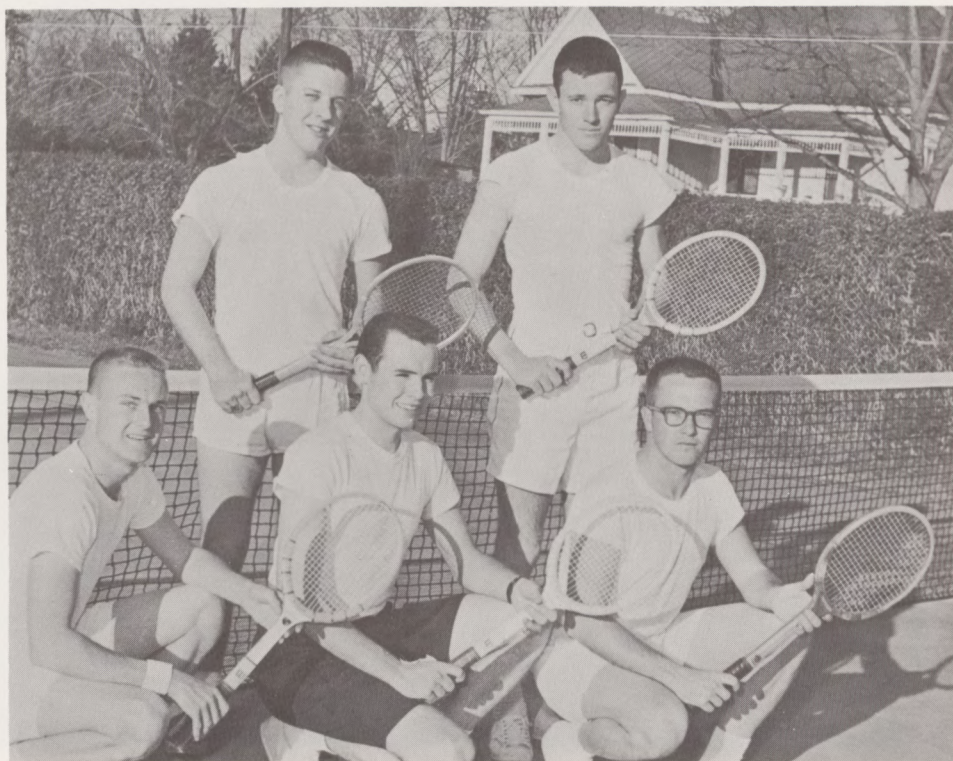

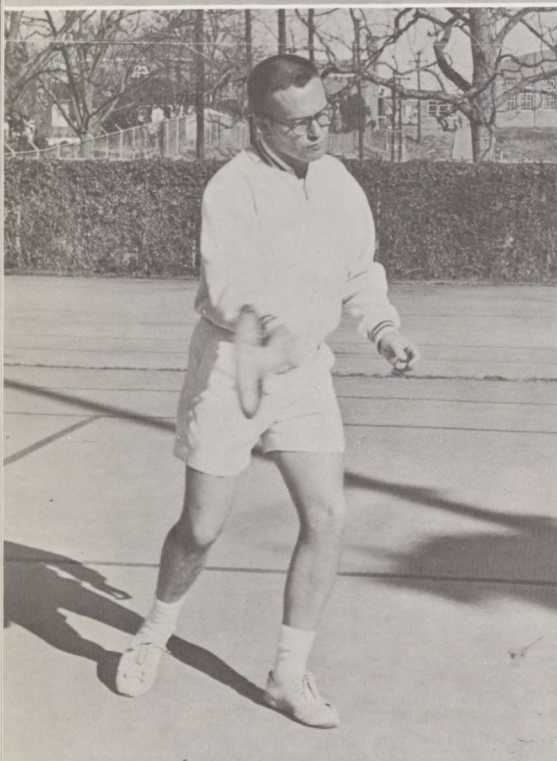

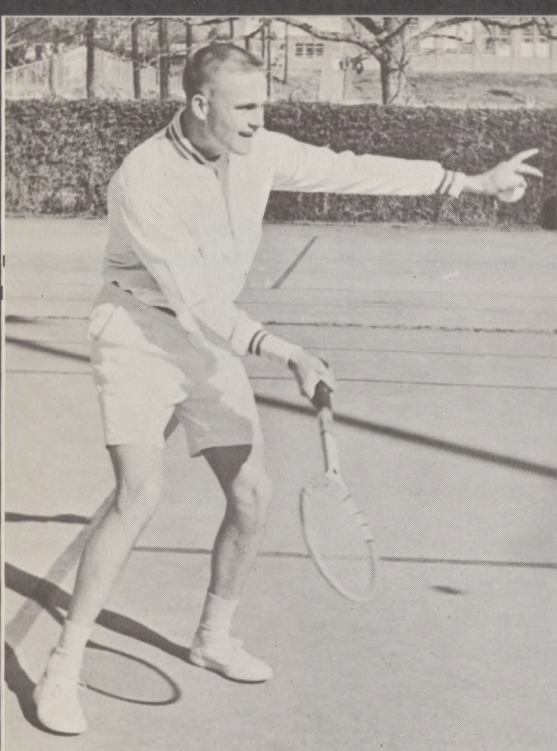

Winning has gotten to be a habit for Parkman, whose four year record stands at 24-5. Four of those losses were to Mississippi State, and the fifth came by a one point margin to Arkansas State—a loss the Chocs avenged the next year.

Individual stars, developed by Parkman, continued to shine during the season. Roy Baker, undefeated in the 220 yard dash, was the high scorer with 150 points, followed by Price Toler with 80, and weight man Austin Baggett with 78.

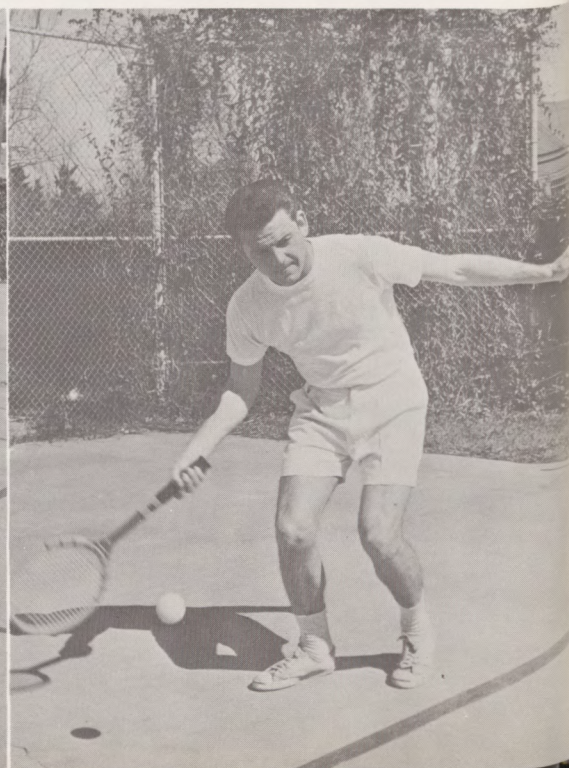

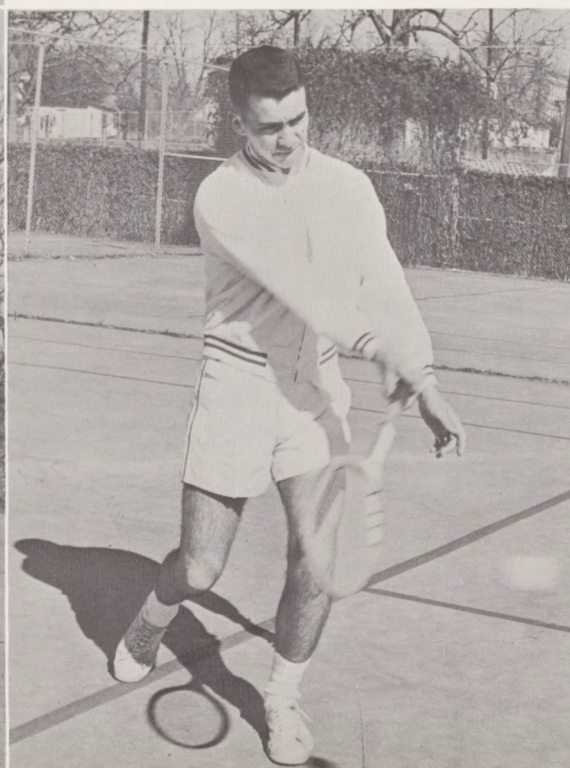

Distance runner Wayne Derrick and sprinter-broad jumper Wayne Tatum finished next with 38¼; Dick Foster with 34½; Dick Carroll, 33½; Chuck Brandon, 27; and Marvin Gordon, 25, round out the top ten scorers.

# Tennis

Jimmy Milner, Tillman Garrick, Tommy Howard, Crawford Drake, Buddy McQueen,  
Joe Kellum, Harry Brigance

A four game sweep over the Millsaps Majors highlighted the Mississippi College baseball season, as Coach Stanley Robinson, with valuable aid from Dave Hadaway during the first half of the season, led the Chocs to a 16-5 record. When the youthful Hadaway took charge of the Choctaw diamond-neers at the first of the season, he led the Chocs against teams to compile a 7-2 record.

Behind the pitching of Lamont Echols and Bill Strub, the team had batting power supplied by Bubba Hutto, Freddie Hutton, Ralph "Skinner" King, Paul Sullivan, John Smith, and F. D. Moore. Together they whipped arch rival Millsaps four straight times and split the series with Delta State and William Carey. Against competition outside the state they

held a top heavy 13-2 mark, losing only to the University of Chicago and Southwestern. The Chocs avenged both decisions the next day.

The Choctaws scored twenty runs twice during their best offensive performances of the season when they blasted Chicago early in the season 20-2 and then routed Southwestern 20-1. Echols, the Choctaw work horse on the mound last spring, dropped his first game to Southwestern, making his record 8-1 during the season.

Coach Robinson built his diamond squad of 1959 from a team of hustling, hard-working individuals who combined their efforts to make this baseball season one of the most successful for the Choctaws in recent years.

# Women's Recreation Association

W. R. A. Council

Choctaw Maidens under the direction of Anne Walker

Developing from the Women's Athletic Association organized in 1952, the Women's Recreation Association, under the leadership of Mrs. Hazel Newman, has fulfilled its purpose of offering to the Mississippi College co-eds wholesome recreation both in individual and team sports. Opportunity is provided for every girl to participate in a variety of sports. The play spirit in athletics is stressed rather than the highly competitive attitude which makes championship its goal and limits participation to a highly skilled few.

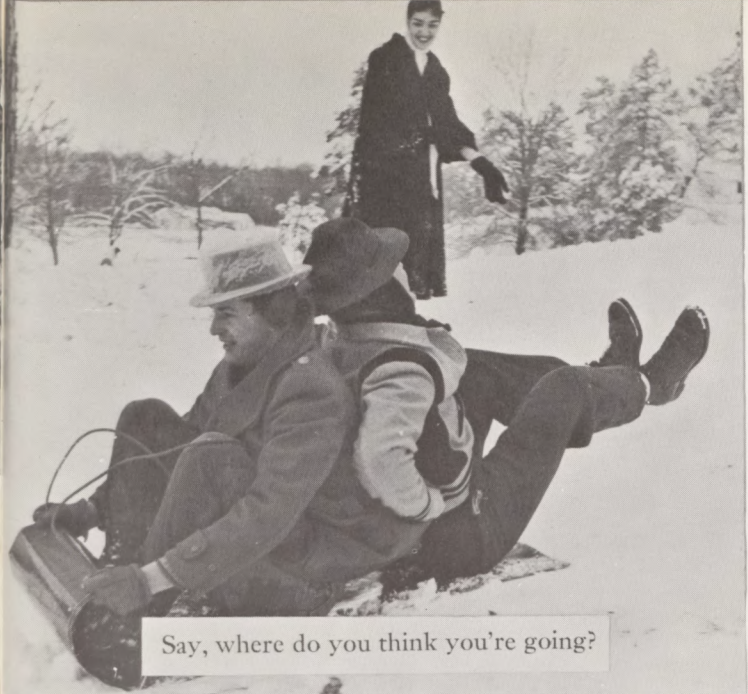

Competitive sports among the boys on the campus are encouraged through Intramural games under the athletic department. Intramurals in such activities as football, basketball, handball, and baseball pit club and dormitory teams against each other in a spirit of wholesome recreation.

Members on the Intramural council are Tommy Covington, Skinner King, Coach James Parkman, and Lamont Echols.

Using a Student Center as its on-campus headquarters, the Baptist Student Union seeks to serve as the "connecting link" between the Baptist students of Mississippi College and the Southern Baptist churches in the Clinton community, as a motivation influence for the student's continued activity in his home church if he commutes daily or on weekends, as a factor for emphasizing the place of his denomination, and as a means of making available to the student such meaningful experience as would develop his maturity in Christ. Mississippi College will be entering a new Student Union Building in the fall of 1960, in which the Baptist Student Union will have its headquarters.

*Sweetheart*

The Circle K Club of Mississippi College, the only service organization on the campus, performs the same functions as do their sponsors, the Kiwanis Club. The Circle K Club is not a social fraternity, it is in every sense of the word a service organization and a character building group whose members are banded together voluntarily to render service to the campus and the community. The Circle K motto, like the motto of the Kiwanis is "We Build."

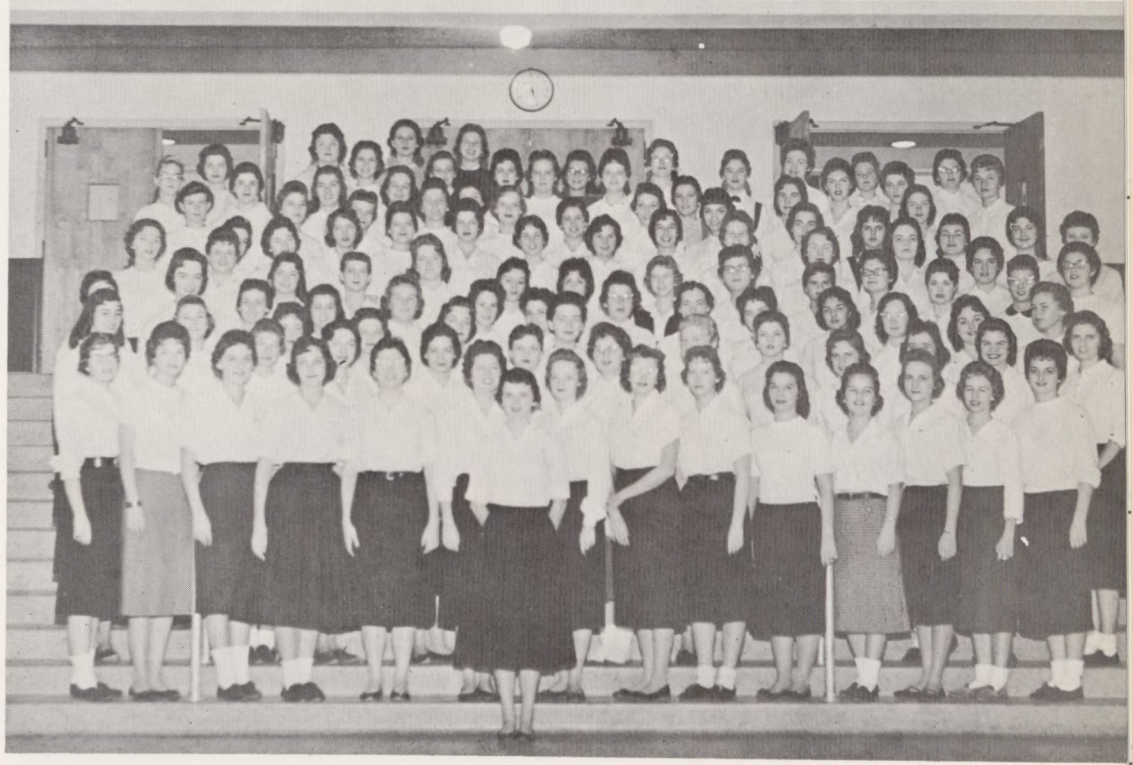

## Kissimee Tribe

OFFICERS: President, Jeannie Arrington; Vice President, Bettye Day Miller; Corresponding Secretary, Bettye Russum; Recording Secretary, Rynnie Davidson; Treasurer, Lynne Pennington; Historian, Alice Dillon; Chorister, Gwyneth Morgan; Program Chairmen, Joanna Bigham, Daphne Moody; Social Chairmen, Delores Cole, Ruth Kelly; Poster, Margaret Siler; Reporter, Marva Nell Walker; Freshman Representative, Sandra Price; Sponsor, Mrs. Glen Jones; Kissimee Beau, Larry Grantham.

The purposes of the Kissimee Tribe are three-fold: to contribute to the social development of its members; to encourage participation in the social functions of the school; and to broaden each member through friendships and common interests. Our colors are pink and silver, and our motto is—"A Kissimee girl is to be beautiful rather than seem beautiful."

## Laguna Tribe

OFFICERS: President, Pat Myrick; Vice President, Anitra Matthews; Program Chairmen, Maggie Hammons, Carol Mayfield; Treasurer, Judy Young; Reporter, Ann Walker; Historian, Nancy Wedaman; Publicity Chairman, Ricky Thornton.

Embracing the ideals of a Southern lady, the Laguna Maiden seeks to combine gentility and universal interests with rollicking fun, all pointing to a constructive and memorable extra-curricular life. The swish of taffeta and dinner by candlelight . . . informative sessions on "what's done" in broader circles . . . toasting marshmallows with that favorite guy: these will be items for nostalgia in Laguna memories.

OFFICERS: President, Dianne Sutherland; Vice Presidents, Ann Douglas, Linda Purvis; Secretary, Carrie Rainey; Treasurer, Lynn Ross; Social Chairman, Phyllis Fortenberry; Float Chairman, Aileene Garrett; Publicity Chairmen, Mary Story, Cookie Kirkland; Rush Chairman, Ann Toland; Parliamentarian, Betty Reagan; Historian, Dixie Cutrer; Reporter, Josie Carter; Music Chairman, Martha Hoppus; Sponsor, Miss Ada Bond; "Mom and Pop," Mr. and Mrs. M. P. L. Berry.

## Nenamoosha Social Tribe

Nenamoosha is an old Indian dialect word meaning sweetheart; therefore Nenamoosha girls are often referred to as the sweethearts of the Mississippi College campus. Nenamoosha has adopted the heart, the traditional symbol of sweethearts of all ages, for their emblem. Red, because it suggests love, life, warmth, and courage, and white, standing for purity, are treasured by each Nenamooshan as the tribe colors. The red rose, one of the loveliest and most fragrant of blossoms is the official tribe flower. The pearl, symbolizing purity, is the tribe's crowning jewel. Being a very active social tribe, Nenamoosha has won first place in the float competition for the Homecoming Parade two consecutive years and copped first prize in the Festival of Song, to mention only a few of her accomplishments. The activities of Nenamoosha are many and varied, but they all contribute to the development of poise, personality, leadership and Christian character of each member.

Once again Nenamoosha has opened her heart to a needy family in Clinton. Pictured here is a small group of the Nenamooshans giving a Thanksgiving basket to Sally, one of the maids in Gunter Hall.

## Swannanoa Tribe

OFFICERS: President, Joyce McCarty; Vice President, Martha Clay; Secretary, Pat Worsham; Program Chairmen, Jan Cutrell, Carole Stewart; Reporter, Etna Pearson; Social Chairman, Sandy Cheatham; Historian, Betty Lou Smith; Publicity, Gay Storey; Yearbook, Earlene Ikerd; Rush Chairman, Janice Stinson; Float Chairmen, Jo Faight, Barbara Loe; Sponsor, Mrs. McPhail.

The aim of the Swannanoa Tribe is to develop the poise, grace, and personality of each of its members. Its colors, green and white; its flower, the white chrysanthemum; and its symbol, the crescent moon; represent growth, purity, and high ideals. The year's activities begin with parties, followed by hayrides, Christmas parties, picnics, and a wide variety of interesting programs. The Swannanoa Tribe is one of the smaller tribes on the campus, but it is very proud of the close bond of friendship that exists between its members.

## The Intra-Club Advisory Board

The purpose of the Intra-Club Advisory Board is to be of service to all clubs and organizations on the campus. Its meetings are designed to help each group to know what other groups are doing. Thus, this board hopes to keep conflicts between organizations to a minimum by evenly spreading club events over the calendar. The Board will also serve as a means for organizations to turn in completed service projects which will determine the top service organization on the campus.

Chorale Choir

From every department of study at Mississippi College comes the members of the Chorale Choir. Under the able direction of Dr. Jack Lyall, the Chorale Choir has been transformed into a much more active group this year, presenting programs in Clinton and Jackson. The accompanists are Miss Jan Cutrell and Miss Pat Barr.

## Concert Choir

Uppermost among the changes initiated by Dr. Jack Lyall, the new head of the Music Department has been the organization of the Concert Choir. The Concert Choir which is entirely separate from the larger Chorale Choir began its season with an outstanding program at the Mississippi Baptist Convention. Under the direction of Dr. Lyall, the Concert Choir has during its short existence already won wide acclaim both on the Campus and throughout the state. Miss Beverly Ponder is the accompanist.

# Mississippi College Band

The fabulous Marching Choctaws have enjoyed a year of many colorful, exciting, and memorable performances. Besides their many outstanding performances adding color and pageantry to the football games both at home and on tour the Marching Choctaws have performed in a number of other public functions. They enjoyed a feature spot on the Dave Garroway Show in connection with the Miss America Parades in Natchez and Vicksburg. They led the Homecoming parade in downtown Jackson for the Mississippi College-Millsaps game. They were asked to lead the Homecoming parade in Livingston, Alabama for the MC-Livingston game. They led the annual Band Day Parade, honoring Acting Miss Mississippi, Miss Betty Jane Porter, for the MC-Harding game. They appeared on WLBT along with other MC organizations for an impressive program depicting the Choctaw Fighting Spirit. They climaxed the year's activities by being invited to lead the Mississippi Governors inaugural parade on January 19th. Pictured at left are the Band officers who are Myrna Rose Bond, Librarian; John Young, Business Manager; Clyde Carraway, President; Jo Ann Huff, Reporter and Feature Twirler; Charles Wicket, Asst. Conductor; and Martha Campbell, Secretary.

The highly trained and sensitive MC CONCERT BAND gives a number of concerts both on the campus and around the State in an effort to promote the cause of music in the serious band medium.
